Safety Instruction Guide for 1911 EXTREME SERVICE PLUNGER TUBE

Introduction

Thank you for purchasing the 1911 EXTREME SERVICE PLUNGER TUBE. This product is designed for durability and performance, providing a reliable service for your firearm needs. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the plunger tube is installed correctly before use.
- Regularly inspect the plunger tube for signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- If you notice any defects or irregularities, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible components with the 1911 EXTREME SERVICE PLUNGER TUBE.
- Do not modify the plunger tube in any way, as this may compromise safety and performance.
- Ensure that the plunger tube is clean and free from debris before installation.
- Avoid exposing the plunger tube to extreme temperatures or corrosive substances.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

1. Preparation for Installation

- Gather necessary tools: screwdriver, wrench, and cleaning cloth.
- Ensure the firearm is unloaded and in a safe condition.

2. Installation Steps

- Remove the existing plunger tube from the receiver using the appropriate tools.
- Clean the receiver area thoroughly to remove any dirt or old lubricant.
- Align the new plunger tube with the receiver, ensuring a snug fit.
- Secure the plunger tube in place using the screws provided, tightening them to the manufacturer's specifications.
- Inspect the installation to ensure there are no gaps or misalignments.

3. Usage Instructions

- Before each use, check the plunger tube for any signs of wear or damage.
- Ensure that the spring operates smoothly within the plunger tube.
- If you experience any resistance or irregular movement, stop using the firearm and inspect the plunger tube.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the plunger tube in regular household waste.
- Consider recycling the plunger tube if possible.

Contact Information for Further Support

For questions or concerns regarding the 1911 EXTREME SERVICE PLUNGER TUBE, please reach out to the manufacturer or consult a qualified gunsmith. It is important to have a reliable point of contact for any safety inquiries or product support.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 EXTREME SERVICE PLUNGER TUBE. Thank you for prioritizing safety in your firearm practices.
