REPRODUCTION "EXOTIC" REVOLVER GRIPS N.C. ORDNANCE RUGER® VAQUERO® XR3 RED IVORY/SMOOTH GRIPS Safety Instructions Guide

Introduction

Thank you for choosing the N.C. Ordnance Reproduction "Exotic" Revolver Grips. These grips are designed to enhance the appearance and feel of your Ruger® Vaquero® XR3Red revolver while ensuring a solid and comfortable grip. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the grips are compatible with your specific model of revolver before installation.
- Always handle your revolver with care and respect, treating it as if it is loaded even when it is not.
- Keep the grips out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the grips regularly for any signs of wear or damage. Replace them if any issues are found.
- Follow all local laws and regulations regarding the ownership and use of firearms.

Specific Safety Precautions for Use

- Do not use the grips for any purpose other than their intended use with the Ruger® Vaquero® XR3Red revolver.
- Avoid exposing the grips to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- Ensure that the grips are securely attached to the revolver before use. Loose grips can lead to accidents.
- If you experience any discomfort while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that your revolver is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, typically a screwdriver.

2. Installation

- Remove the existing grips from the revolver by unscrewing them carefully.
- Align the new N.C. Ordnance grips with the revolver frame.
- Secure the grips in place by tightening the screws without overtightening, which may damage the grips.

3. Usage

- Familiarize yourself with the feel of the new grips before engaging in any shooting activities.
- Practice safe handling and shooting techniques at all times.
- Regularly check the attachment of the grips during use, especially after extended shooting sessions.

Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local waste disposal regulations.
- If the grips are made of polymer and cannot be reused, consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the N.C. Ordnance Reproduction "Exotic" Revolver Grips, please refer to the appropriate contact channels provided with your product packaging or on the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can enjoy the enhanced aesthetics and performance of your N.C. Ordnance Reproduction "Exotic" Revolver Grips while ensuring the safety of yourself and others. Always prioritize safety and stay informed about any product recalls or safety updates through official channels.
