

SPRINGFIELD M14 HANDGUARD RETAINING CAP STEEL BLACK - FULTON ARMORY HANDGUARD RETAINING CAP STEEL BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

For Secure, Rattle-Free Handguard Attachment

Steel retaining clip provides a snug, rattle-free grasp on the handguard. Replaces an old clip lost during maintenance, or one "sprung" by excessive removal and installation. Perfect for properly restoring a vintage rifle or completing a new project. Fits M1 Garand and M14-style rifles. Built to original USGI specifications for fit and finish.

Safety Instruction Guide for Springfield M14 Handguard Retaining Cap

Introduction

Thank you for choosing the Springfield M14 Handguard Retaining Cap. This product is designed to provide a secure and reliable attachment for your handguard, ensuring optimal performance of your firearm. This guide outlines important safety information, installation instructions, and proper usage to help you use this product safely and effectively.

General Safety Guidelines

- Ensure you read and understand all instructions before using the product.
- Always handle firearms with care and follow all safety protocols.
- Keep this product out of reach of children and individuals who may not understand its use.
- Regularly inspect the handguard retaining cap for wear or damage before each use.
- If you notice any defects or issues, do not use the product and seek a replacement.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation can lead to the handguard becoming loose, which may cause malfunctions.
- Using a damaged or worn retaining cap may result in failure during operation.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installing or removing the handguard retaining cap.
- Use appropriate tools for installation to avoid damaging the cap or firearm.
- Follow manufacturer's specifications for installation to ensure proper fit and function.

- **Age Specific Warnings:**

- This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools such as a screwdriver and any other required equipment.

2. Installation:

- Locate the existing handguard retaining cap on your M1 Garand or M14 style rifle.
- Remove the old retaining cap by gently prying it off with the appropriate tool.
- Inspect the area for any debris or damage.
- Position the new Springfield M14 Handguard Retaining Cap over the designated area.
- Press down firmly until the cap snaps into place, ensuring a snug fit.

3. Usage:

- After installation, check the handguard for stability.
- Regularly inspect the retaining cap during maintenance checks to ensure it remains secure.
- If removing the handguard for maintenance, repeat the installation process with care.

Disposal Instructions

- Dispose of the product responsibly, following local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the steel material if possible.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service. Ensure you have the product details on hand when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearm are our top priorities.
