

V-TAC ORIGINAL SLING - VIKING TACTICS V-TAC SLING, COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Simple One-Hand Operation Changes From Use To Carry

The VTAC Sling is instantly adjustable, allowing you to adjust shooting positions with ease. You can easily move from strong side shoulder to weak side shoulder or secure your carbine during handgun transition. Unlike other slings on the market, the Viking Tactics Sling isn't just a carrying strap. Its full range of adjustability will enhance retention for when you need your hands free. It is also one of the only tactical slings that can be used as an adjustable shooting sling.

VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING Safety Instruction Guide

Introduction

Thank you for choosing the VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING in Coyote color. This safety instruction guide is designed to ensure the safe and effective use of your new product. Please read this guide carefully before using the sling to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose as a tactical sling for firearms.
- Always inspect the sling for any signs of wear or damage before each use.
- Do not use the sling if it is damaged or if any components are missing.
- Keep the sling out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe environment when using firearms.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when attaching or detaching the sling.
- When transitioning from strong side to weak side shoulder, maintain a secure grip on the firearm at all times.
- Avoid using the sling in wet or slippery conditions to prevent loss of control.
- Do not exceed the weight limit of the sling; check the manufacturer's specifications for guidance.
- Ensure that the sling is properly adjusted to fit securely and comfortably during use.

Instructions for Installation and Usage

1. Installation of the Sling

- Locate the attachment points on your firearm.
- Attach the sling clips to the designated attachment points securely.
- Ensure that the sling is oriented correctly for ease of use.

2. Adjusting the Sling

- To adjust the length of the sling, locate the adjustment mechanism.
- Pull the adjustment strap to lengthen or shorten the sling as needed.
- Ensure that the adjustment is secure before using the sling.

3. Using the Sling

- When ready to use, place the sling over your shoulder.
- Adjust the sling to ensure it supports the weight of the firearm comfortably.
- Transition smoothly between shooting positions while maintaining control of the firearm.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable components.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your VTAC ORIGINAL SLING VIKING TACTICS VTAC SLING. Always prioritize safety and proper handling practices when using your sling. Thank you for your attention to these important guidelines.
