

HEAVY DUTY PUSH BUTTON SWIVELS W/SS BASES - GROVTEC US

HEAVY DUTY PUSH BUTTON SWIVELS W/SS BASES

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Sling Swivel Studs](#)

All steel construction Black oxide finish Push button swivels with stainless steel base 1 1/4 inch loops Manufactured in the United States Tactical operators: after working with your rifle have you ever had to undo the bunch caused by your fixed sling loop? Upgrade to the Grove Tec heavy-duty push button swivel with stainless steel base and your problem is solved. New from Grove Tec, the sling loop measures a whopping 1 1/4-inch to fit any sling you might use. It swivels to keep the sling twist to a minimum and has a quick release feature for one hand removal. The push button swivel is made of heavy-duty steel with a black oxide finish that is rust resistant. Bases are made of stainless steel for strength and long life, with the same non-reflective finish as the push button swivels.

Safety Instruction Guide for HEAVY DUTY PUSH BUTTON SWIVELS W/SS BASES

Introduction

Thank you for choosing the Grove Tec Heavy Duty Push Button Swivels with Stainless Steel Bases. This product is designed to enhance your tactical experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always inspect the product before each use to ensure it is in good condition and free from damage.
- Do not use the swivel if it shows signs of wear, rust, or any structural damage.
- Ensure that the swivel is compatible with your sling and firearm before installation.
- Keep this product out of the reach of children and vulnerable individuals.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Use the swivel only as intended; do not modify or alter it in any way.
- Ensure the push button mechanism is functioning correctly before use.
- When attaching or detaching the swivel, keep your fingers clear of the moving parts to avoid pinching.
- When not in use, store the swivel in a dry place to prevent corrosion.
- Always follow the manufacturer's recommendations for load limits and usage.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded before beginning the installation process.
- Locate the designated attachment point on your firearm for the sling.
- Align the swivel loop with the attachment point and insert it securely.
- Press the push button to lock the swivel in place, ensuring it is securely attached.

2. Usage

- To release the swivel, press the push button while pulling the sling away from the firearm.
- Always check that the swivel is securely fastened before use.
- Avoid twisting the sling excessively to minimize wear on the swivel.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond use, recycle the metal parts where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Grove Tec Heavy Duty Push Button Swivels, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your tactical experience with confidence and safety.
