

# 1911 EXTREME SERVICE SLIDE STOP - HARRISON DESIGN & CONSULTING .45 SLIDE STOP, SS

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

## Curved, Low-Profile Pad For Secure Purchase & Fast, Positive Operation

CNC-machined to precise dimensions from high-grade steel forgings, these slide stops feature a smooth, low-profile thumb pad that won't snag on holsters or clothing. Pad's unique, curved geometry still ensures positive engagement under stress, with cold hands, or when wearing gloves. Excellent choice for a concealed-carry pistol. Separate models for .45 ACP and 9mm/.38 Super/.40 S&W/10mm pistols, both models available in blued carbon steel or stainless.

# Safety Instruction Guide for 1911 EXTREME SERVICE SLIDE STOP

## Introduction

Thank you for choosing the 1911 EXTREME SERVICE SLIDE STOP by Harrison Design & Consulting. This product is designed for use with .45 caliber and 9mm/.38 Super/.40 S&W/10mm pistols. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the slide stop.
- Keep the slide stop and all firearm components out of reach of children and unauthorized users.
- Use only compatible models for installation to avoid safety risks.
- Regularly inspect the slide stop for wear or damage. Replace if necessary.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and free of any oils or contaminants when handling the slide stop.
- Always wear protective gloves when installing or modifying firearm components.
- Do not force the slide stop into place; it should fit securely without excessive pressure.
- Avoid using the slide stop in extreme temperatures or conditions that may affect its performance.
- Be aware of the unique curved geometry of the thumb pad; ensure it does not interfere with the operation of your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the pistol is completely unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and hammer if needed.

### 2. Installation:

- Remove the existing slide stop from the firearm by pushing out the retaining pin.
- Align the new slide stop with the opening in the frame.
- Insert the retaining pin into the slide stop, ensuring it is securely in place.
- Test the functionality of the slide stop by operating the firearm in a safe environment.

### 3. Usage:

- Familiarize yourself with the operation of the slide stop before using the firearm.
- Practice using the slide stop in a controlled environment to ensure smooth operation.
- Regularly check the slide stop during routine firearm maintenance.

## Disposal Instructions

- Dispose of the slide stop and any associated packaging in accordance with local regulations.
- Do not dispose of the slide stop in regular household waste if it is damaged or defective. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or support regarding the 1911 EXTREME SERVICE SLIDE STOP, please refer to the EU contact point listed on the product packaging or user manual.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of the 1911 EXTREME SERVICE SLIDE STOP. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important safety measures.
