

M&P SPRING KITS - APEX TACTICAL SPECIALTIES INC COMPETITION SPRING KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

Drop-In Upgrade Parts Improve Trigger Pull For Competition Or Carry

Drop-in replacements for factory components enhance reliability and optimize the performance of your M&P for different applications. Same springs found in the Action Enhancement Kits can be used as high-quality replacements for worn or tired factory springs. Duty/Carry Spring Kit includes a trigger return spring, a slave pin to aid in installing the return spring and one sear spring. Competition Spring Kit adds a competition striker spring and gives a 3 lb. trigger pull when used with the Hard Sear and Ultimate Striker Kit.

M&P SPRING KITS APEX TACTICAL SPECIALTIES INC COMPETITION SPRING KIT Safety Instruction Guide

Introduction

Thank you for choosing the M&P SPRING KITS APEX TACTICAL SPECIALTIES INC COMPETITION SPRING KIT. This product is designed to enhance the performance and reliability of your M&P pistol. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the springs and components regularly for wear and tear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the M&P SPRING KITS in compatible M&P pistols.
- Do not attempt to modify the springs or components beyond the manufacturer's specifications.
- Ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, when handling the product.
- Be aware of the potential for increased trigger sensitivity and adjust your handling accordingly.
- If you experience any malfunctions or unusual behavior from your firearm after installation, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components, including the trigger return spring, slave pin, sear spring, and competition striker spring.

2. Removing Old Springs:

- Carefully disassemble the firearm according to the manufacturer's guidelines.
- Remove the old springs from the trigger mechanism and sear assembly.

3. Installing New Springs:

- Insert the new trigger return spring into its designated location.
- Use the slave pin to assist in positioning the trigger return spring correctly.
- Install the new sear spring in its proper location.
- For the Competition Spring Kit, install the competition striker spring as per the provided instructions.

4. Reassembly:

- Reassemble the firearm carefully, ensuring all components are secured and functioning properly.
- Perform a function check to ensure the firearm operates correctly.

Usage Guidelines

- After installation, familiarize yourself with the new trigger pull weight.
- Conduct a test fire in a safe and controlled environment to ensure proper function.
- Regularly check the installed springs for signs of wear or damage.

Disposal Instructions

- Dispose of any old springs and components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's website or contact their customer service. It is important to have access to reliable support for any questions or issues that may arise.

By following these guidelines, you can ensure the safe and effective use of your M&P SPRING KITS APEX TACTICAL SPECIALTIES INC COMPETITION SPRING KIT. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
