

M&P SPRING KITS - APEX TACTICAL SPECIALTIES INC DUTY/CARRY SPRING KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

Drop-In Upgrade Parts Improve Trigger Pull For Competition Or Carry

Drop-in replacements for factory components enhance reliability and optimize the performance of your M&P for different applications. Same springs found in the Action Enhancement Kits can be used as high-quality replacements for worn or tired factory springs. Duty/Carry Spring Kit includes a trigger return spring, a slave pin to aid in installing the return spring and one sear spring. Competition Spring Kit adds a competition striker spring and gives a 3 lb. trigger pull when used with the Hard Sear and Ultimate Striker Kit.

M&P SPRING KITS APEX TACTICAL SPECIALTIES INC DUTY/CARRY SPRING KIT Safety Instruction Guide

Introduction

Thank you for choosing the M&P Spring Kits from Apex Tactical Specialties Inc. This guide provides important safety information and instructions for the proper use and installation of the Duty/Carry Spring Kit. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any issues, discontinue use immediately and consult a qualified professional.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The Duty/Carry Spring Kit is designed for M&P pistols only. Do not use it with other firearms.
- Ensure the firearm is unloaded before installing or replacing any components.
- Use appropriate tools and wear safety glasses during installation to protect your eyes.
- Do not force any components into place; ensure they fit properly to avoid damage.
- Be aware that modifications to your firearm may affect its warranty or safety certifications.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure your M&P pistol is unloaded and pointed in a safe direction.
- Gather necessary tools: a slave pin, appropriate screwdrivers, and safety glasses.

2. Installation Steps

- Remove the factory components as per your firearm's manual.
- Use the slave pin to aid in the installation of the trigger return spring:
 - Insert the slave pin into the designated hole to hold the spring in place.
 - Carefully install the new trigger return spring.
 - Remove the slave pin once the spring is securely in place.
- Install the new sear spring in accordance with the manufacturer's specifications.
- Doublecheck that all components are correctly installed and secure.

3. PostInstallation Checks

- Conduct a function check of the firearm to ensure proper operation.
- Verify that the trigger pull meets your expectations and that all components are functioning correctly.
- If any issues arise, consult a qualified gunsmith for further assistance.

Disposal Instructions

- Dispose of old springs and components in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the M&P Spring Kits or for assistance with installation, please refer to the manufacturer's website or contact their customer support for more information.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance of your M&P pistol with the Duty/Carry Spring Kit from Apex Tactical Specialties Inc.
