

# FAILURE RESISTANT EXTRACTORS - APEX TACTICAL SPECIALTIES INC S&W M&P FAILURE RESISTANT EXTRACTOR

[Handgun Parts](#) > [Action Parts](#) > [Extractor Parts](#) > [Extractors](#)

For owners of Smith & Wesson M&P pistols who are looking to tune their personal-defense handguns to run in every possible environment, having enhanced components like the Apex Tactical Failure Resistant Extractor can only improve their pistol's performance. To provide enhanced reliability, the Apex Tactical Failure Resistant Extractor is wire-EDM machined to have precision tolerances that are tighter than what is possible through conventional machining practices. In particular, specific engagement surfaces and the design of the hooked extractor are formed precisely through this engineering process. The resulting Apex Tactical Failure Resistant Extractor is guaranteed to drop into all factory Smith & Wesson M&P M2.0 pistols chambered in 9mm, .40 S&W and .45 ACP. The extractor is finished with a Melonite treatment for enhanced durability. The design will not function in original M&P or M&P Shield handguns.

Note: Does not fit the M&P Shield Pistol.

## Attributes

- Name: [APEX TACTICAL SPECIALTIES INC S&W M&P FAILURE RESISTANT EXTRACTOR](#)
- Manufacturer: [APEX TACTICAL SPECIALTIES INC](#)
- Product no.: 100006043
- Mfr. No.: 100-068
- Caliber: -
- Finish: -
- Model: M&P
- Weapon type: Smith & Wesson
- Delivery weight: 0.045kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 856008005154

## Item details

Made in USA

US export classification: 0A501.x

# Consumer Safety Instruction Guide for Apex Tactical Failure Resistant Extractors

## Introduction

Thank you for choosing the Apex Tactical Failure Resistant Extractor for your Smith & Wesson M&P pistol. This guide provides essential safety information and instructions to ensure the safe use and installation of the extractor. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the extractor is compatible with your specific model of Smith & Wesson M&P pistol (M2.0 models only).
- Always handle firearms with care and follow standard safety practices.
- Store the extractor in a safe place away from children and unauthorized users.
- Regularly inspect the extractor for wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The Apex Tactical Failure Resistant Extractor is designed for use with 9mm, .40 S&W, and .45 ACP M2.0 models only. Do not attempt to use it with original M&P or M&P Shield handguns.
- Before installation, ensure that the firearm is unloaded and the magazine is removed.
- Use caution when handling the extractor; sharp edges may be present.
- Avoid using excessive force during installation to prevent damage to the extractor or the firearm.
- Ensure that the extractor is properly installed before using the firearm to prevent malfunctions.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools, including a punch tool and a hammer.

### 2. Removing the Old Extractor

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the old extractor using the punch tool. Take care not to damage surrounding components.

### 3. Installing the Apex Tactical Failure Resistant Extractor

- Align the new extractor with the appropriate engagement surfaces.
- Gently tap the extractor into place using the punch tool and hammer, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's instructions.

### 4. Testing the Installation

- After installation, perform a function check to ensure the extractor operates correctly.
- Test the firearm in a safe environment to confirm proper functionality before regular use.

## **Disposal Instructions**

- Dispose of any old extractors or components in accordance with local regulations for hazardous waste.
- Ensure that all materials are disposed of in a safe manner to prevent environmental harm.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please reach out to your local authorized dealer or contact the manufacturer directly. Ensure that you have the product information available when seeking support.

Thank you for your attention to these safety guidelines. Proper use and installation of the Apex Tactical Failure Resistant Extractor will enhance the performance of your Smith & Wesson M&P pistol while ensuring your safety and the safety of those around you.
