## **Aids In Fast, Positive Mag Changes**

Drop-in replacement for factory magazine catch has a deeply serrated button that protrudes farther from the frame to ensure positive, fast mag release on the first try. Gives a small but critical performance edge to the practical pistol competition shooter. Fits all 9mm, .40 S&W, .357 SIG, and .45 GAP Glocks. Same length as the factory catch on the G20, 21, 29, and 30, so it can be used as a direct replacement for the original part.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use the product only with compatible GLOCK models: 20, 21, 29, and 30.
- Do not attempt to install or use the product if you are not familiar with firearm operation.
- Store the product and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the magazine release for wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or using the magazine release.
- Do not use the magazine release if it shows signs of damage or malfunction.
- Avoid using excessive force when pressing the magazine release button.
- Do not modify the magazine release in any way that could compromise its integrity or safety.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Magazine Catch:**
  - Use a suitable tool to gently push the factory magazine catch out of the frame.
3. **Install the Extended Magazine Release:**
  - Align the new extended magazine release with the frame.
  - Push it into place until it is securely fitted.
4. **Test the Installation:**
  - Check that the magazine release operates smoothly.
  - Ensure that the button is firmly in place and does not wobble.

### Usage Instructions

- To release the magazine, press the deeply serrated button with your thumb.
- Practice using the magazine release in a safe environment to become familiar with its operation.
- Always be aware of your grip and finger placement when using the firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Ensure that the product is rendered unusable before disposal to prevent accidental use.
- Recycle materials where applicable, following local recycling guidelines.
