

# 1911 NOVAK CUT REAR SIGHT - HARRISON DESIGN & CONSULTING

## NOVAK-CUT REAR SIGHT PLAIN BLK

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Rugged, fixed rear sight features a precision machined Novak dovetail for easy replacement of a fragile adjustable sight to make your gun more suitable for duty or carry. Extra-wide, .135" notch provides more light around the front blade to open up the sight picture for fast target acquisition. 50 lpi serrations on the rear face help eliminate glare. Allen head setscrew locks sight into slide dovetail for a rock-solid installation that won't shoot loose. Regulates with most factory installed front sights. Machined from solid steel bar stock with radiused edges that help prevent holster snag. Minor fitting may be required. Does not fit Kimber, Para-Ordnance, or Smith & Wesson SW1911.

# 1911 Novak Cut Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Novak Cut Rear Sight by Harrison Design & Consulting. This guide provides essential safety instructions and information to ensure the proper installation and use of your new sight. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure the sight is compatible with your firearm model (Government, Commander, Officers).
- Always handle firearms safely and responsibly.
- Keep firearms unloaded when installing or adjusting sights.
- Regularly inspect the sight for wear or damage.
- Do not attempt to modify the sight in any way.
- Use appropriate tools to avoid damaging the sight or firearm.
- If you are unsure about the installation or use, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Wear appropriate eye protection when handling firearms.
- Keep your fingers off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Do not use the sight if it shows signs of damage or if it does not fit securely.

## Instructions for Installation and Usage

### 1. Tools Required:

- Allen wrench (provided with the sight).
- Gunsmithing tools (if necessary for fitting).

### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight by loosening the setscrew with the Allen wrench.
- Carefully slide the old sight out of the dovetail.
- Align the new Novak Cut Rear Sight with the dovetail cut on the slide.
- Slide the new sight into place, ensuring it is securely seated.
- Tighten the Allen head setscrew to lock the sight into the dovetail. Ensure it is snug but do not overtighten.
- Verify that the sight is aligned correctly and does not move.

### 3. Usage Guidelines:

- Familiarize yourself with the sight picture before using the firearm.
- Practice target acquisition with the new sight to ensure comfort and accuracy.
- Regularly check the tightness of the setscrew during maintenance.

## **Disposal Instructions**

- Dispose of the sight in accordance with local regulations.
- If the sight is damaged or no longer usable, do not discard it in regular trash. Instead, take it to a local recycling facility that accepts metal products.

## **Contact Information for Further Support**

For questions or concerns regarding the 1911 Novak Cut Rear Sight, please refer to the manufacturer's contact information included in the product packaging or visit their official website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the proper and safe use of your 1911 Novak Cut Rear Sight. Always prioritize safety and seek professional assistance if you are unsure about any aspect of installation or usage. Thank you for your attention to safety and responsible firearm handling.
