# RECOIL CONVERSION INSERT for GLOCK® GEN 4

## Introduction

Thank you for purchasing the RECOIL CONVERSION INSERT for GLOCK® GEN 4 from GLOCKPARTS.COM. This product allows you to utilize Gen 1, 2, and 3 recoil assemblies with your Gen 4 Glock. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure the product is installed by a qualified gunsmith or experienced individual familiar with firearm modifications.
- Always handle firearms with care and follow all safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the recoil conversion insert and associated components for wear or damage.
- Do not use the product if it appears damaged or if there are any signs of malfunction.
- Always wear appropriate eye and ear protection when using firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only the recommended recoil spring assembly with this conversion insert.
- Ensure that your firearm is unloaded before installing or removing the recoil conversion insert.
- Do not attempt to modify or alter the recoil conversion insert in any way.
- Be aware that using this product may affect the performance of your firearm; always test in a safe environment.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Glock is unloaded and the muzzle is pointed in a safe direction.
- Gather the necessary tools for installation, including a punch tool and a hammer (if required).

### 2. Installation Steps

- Remove the slide from your Glock by following the manufacturer's guidelines.
- Carefully remove the existing recoil assembly from the slide.
- Insert the RECOIL CONVERSION INSERT into the slide, ensuring it is seated properly.
- Reinstall the appropriate recoil spring assembly compatible with the conversion insert.
- If necessary, install Stainless Steel Guide Rods for optimal performance.
- Reattach the slide to the frame of your Glock.

### 3. Usage

- After installation, perform a function check to ensure the firearm operates correctly.
- Test fire in a safe environment, observing for any unusual behavior or performance issues.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the recoil conversion insert is damaged beyond use, consult local guidelines for proper disposal of

metal components.
