XD/XDM Striker Retainer Pin Set Safety Instructions

Introduction

Thank you for choosing the XD/XDM Striker Retainer Pin Set from Powder River Precision Inc. This product is designed to enhance the performance and reliability of your XD or XDM firearm. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Use only manufacturerapproved parts and accessories with your firearm.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting to install or replace the striker retainer pin.
- Avoid using excessive force during installation to prevent damage to the firearm or the pin.
- Be cautious of pin placement; incorrect installation can lead to malfunction or unsafe operation.
- If you experience any issues with the pin or firearm after installation, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather the necessary tools for installation, including a punch tool for pin removal and installation.

2. Removing the Old Striker Retainer Pin

- Locate the existing striker retainer pin in your XD or XDM firearm.
- Using the punch tool, carefully drive out the old pin from its position.
- Dispose of the old pin responsibly.

3. Installing the New Striker Retainer Pin

- Align the new 3mm x 16mm spring roll pin with the designated hole in the firearm.
- Gently tap the new pin into place using the punch tool, ensuring it is seated securely.
- Verify that the pin is flush and properly installed.

4. Final Checks

- Inspect the installation to ensure that the pin is correctly positioned.
- Perform a function check of the firearm to ensure proper operation before use.
- If dry firing, ensure that it is done safely and in a controlled environment.

Disposal Instructions

- Dispose of any old or damaged pins in accordance with local regulations.
- Do not dispose of pins in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or support related to the XD/XDM Striker Retainer Pin Set, please refer to the official website of Powder River Precision Inc. or consult with a qualified gunsmith.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
