# Safety Instruction Guide for 37MM Flare Launchers & Kaos Stock Systems Spikes Tactical 12" Havoc Launcher

## Introduction

Thank you for choosing the 37MM Flare Launchers & Kaos Stock Systems Spikes Tactical 12" Havoc Launcher. This guide provides important safety information and instructions for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the flare launcher with care and respect.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Inspect the flare launcher before each use for any signs of damage or wear.
- Store the flare launcher in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when operating the flare launcher.
- Do not aim the launcher at people, animals, or flammable materials.
- Only use approved 5¾" U.S. Coast Guard flare, smoke, or gas rounds with this launcher.
- Ensure that the area around you is clear of obstacles and bystanders before firing.
- Do not attempt to modify or disassemble the flare launcher.
- If a round fails to fire, wait at least 30 seconds before attempting to remove it.
- Follow local laws and regulations regarding the use of flare launchers.

## Instructions for Installation and Usage

### Installation

1. **Identify the Mounting Location:** Choose a suitable location on the bottom rail of a 7" or longer Picatinny handguard.
2. **Secure the Launcher:**
  - Align the flare launcher with the chosen mounting location.
  - Use the provided mounting hardware to securely attach the launcher.
3. **Check Stability:** Ensure that the launcher is firmly in place and does not wobble or move.

### Usage

1. **Loading the Launcher:**
  - For the 9" launcher, pivot the tube to the side for loading.
  - For the 12" launcher, slide the tube forward for rear feed.
2. **Inserting a Round:**
  - Press the pushbutton to open the breech.
  - Insert a fresh cartridge into the launcher.
  - Close the breech securely.
3. **Firing the Launcher:**
  - Ensure the area is clear and safe.

- Aim the launcher away from yourself and others.
- Press the trigger to fire the round.

#### 4. **PostFiring:**

- After firing, check the launcher for any malfunctions.
- Use the pushbutton to open the breech and remove the spent round.

## **Disposal Instructions**

- Dispose of spent cartridges and any damaged parts in accordance with local regulations.
- Do not throw away the launcher in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to safety. Enjoy the responsible use of your 37MM Flare Launchers & Kaos Stock Systems Spikes Tactical 12" Havoc Launcher.
