COMPLETE SPRING KIT for GLOCK® GHOST Safety Instruction Guide

Introduction

Thank you for purchasing the COMPLETE SPRING KIT for GLOCK® by GHOST. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide thoroughly before using the kit.

General Safety Guidelines

- Ensure that the COMPLETE SPRING KIT is used only with compatible GLOCK® models.
- Always handle firearms with care, following all safety protocols and guidelines.
- Keep the kit and all components out of reach of children and unauthorized users.
- Inspect all springs and components for damage before installation.
- Do not attempt to modify or alter any components of the spring kit.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the appropriate spring for your intended application (sport shooting or selfdefense).
- Ensure that your firearm is unloaded before performing any installation or maintenance.
- Wear protective eyewear when working with springs to avoid injury from potential spring release.
- Follow all manufacturer guidelines for your specific GLOCK® model when installing the springs.
- Be aware of the increased trigger pull weight when using the 6 Lb firing pin spring for selfdefense applications.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure a clean workspace.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation of Springs:

- Remove the slide from your GLOCK® firearm according to the manufacturer's instructions.
- Carefully remove the existing firing pin spring, safety plunger spring, and trigger spring.
- Install the 4 Lb firing pin spring for sport shooting or the 6 Lb firing pin spring for selfdefense, ensuring proper alignment.
- Replace the safety plunger spring with the reduced power safety plunger spring.
- Install the 6 Lb trigger spring, ensuring it is seated correctly.

3. Final Checks:

- Reassemble the firearm and perform a function check to ensure proper operation.
- Test the trigger pull weight to ensure it meets your requirements.
- Always keep the firearm pointed in a safe direction when testing.

4. PostInstallation:

- Store the COMPLETE SPRING KIT in a secure location when not in use.
- Regularly inspect the springs for wear and replace them as necessary.

Disposal Instructions

- Dispose of any damaged or worn springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, contact local waste management for proper disposal methods.

Contact Information for Further Support

For more details or questions regarding the COMPLETE SPRING KIT for GLOCK® by GHOST, please consult the manufacturer's website or your point of purchase for assistance. Remember to always prioritize safety and adhere to all guidelines provided in this instruction guide.

Thank you for choosing the COMPLETE SPRING KIT for GLOCK® by GHOST. Stay safe and enjoy your shooting experience!
