Safety Instruction Guide for UNIVERSAL SHELL HOLDERS LEE PRECISION LEE UNIVERSAL SHELLHOLDER, #1

Introduction

Thank you for choosing the UNIVERSAL SHELL HOLDER by LEE PRECISION. This guide provides important safety instructions and guidelines for the safe use of this product. Please read and understand all instructions before using the shell holder to ensure your safety and the proper functioning of your reloading equipment.

General Safety Guidelines

- Ensure that the shell holder is compatible with your reloading press. This shell holder is designed for use with most brands of reloading presses, but it will not work with the Lee Auto Prime.
- Always follow the manufacturer's instructions for your specific reloading press.
- Keep the shell holder and all reloading components out of the reach of children and unauthorized users.
- Inspect the shell holder regularly for any signs of wear or damage. Do not use if damaged.
- Store the shell holder in a dry, cool place to prevent corrosion and degradation.
- Be aware of your surroundings while reloading. Ensure you are in a wellventilated area and away from flammable materials.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading components.
- Do not exceed the recommended cartridge specifications for the shell holder. This shell holder is suitable for:
 - .357 Magnum
 - .38 Special
 - .38 Short Colt
- Avoid distractions while using the shell holder and reloading press. Focus on the task at hand to prevent accidents.
- Always doublecheck that the shell holder is securely attached before starting the reloading process.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading press is turned off and unplugged before installation.
- Remove any existing shell holder from the press if applicable.
- Insert the UNIVERSAL SHELL HOLDER into the appropriate slot on your reloading press until it clicks securely into place.
- Verify that the shell holder is properly seated and does not move when lightly tugged.

2. Usage

- Prepare your reloading materials according to the manufacturer's specifications.
- Place the cartridge case into the shell holder, ensuring it fits snugly and securely.
- Follow your reloading press's instructions for operating the press to resize or seat bullets.
- After use, remove the cartridge case from the shell holder and clean the holder if necessary.

Disposal Instructions

- Dispose of the shell holder in accordance with local regulations. If the shell holder is no longer usable, consider recycling it if possible.
- Do not discard the shell holder in regular household waste if it is damaged or contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the UNIVERSAL SHELL HOLDER, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience. Thank you for choosing LEE PRECISION.
