

# RIFLE FACTORY CRIMP DIES - LEE PRECISION 7X57MM MAUSER FACTORY CRIMP DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Lee Factory Crimp Die crimps the bullet in place more firmly than any other tool Tests demonstrate that even bullets which have no crimp groove will shoot more accurately A firm crimp improves accuracy because pressure must build to a higher level before the bullet begins to move. This higher start pressure insures a more uniform pressure curve and less velocity variation Features a collet that squeezes the case mouth into the crimping groove for a firm hold Shellholder not included Fits all 7/8"-14 reloading presses

## Attributes

- Name: [LEE PRECISION 7X57MM MAUSER FACTORY CRIMP DIE](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100010090
- Mfr. No.: 90839
- Cartridge: 7 mm Mauser (7 x 57 mm Mauser)
- Die Style: Crimp Die
- Delivery weight: 0.172kg
- Shipping height: 50mm
- Shipping width: 84mm
- Shipping length: 117mm
- UPC: 734307908393

# Safety Instruction Guide for Lee Precision 7x57mm Mauser Factory Crimp Die

## Introduction

Thank you for choosing the Lee Precision 7x57mm Mauser Factory Crimp Die. This guide provides essential safety instructions and usage information to ensure the safe and effective use of this product. Please read all instructions carefully before using the die.

## General Safety Guidelines

- Always prioritize safety when reloading ammunition.
- Ensure that you are familiar with the reloading process and have received proper training.
- Use the crimp die only for its intended purpose, which is to crimp bullets in place securely.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and pets.
- Regularly inspect the die for wear or damage and replace if necessary.
- Be aware of local laws and regulations regarding ammunition reloading and use.

## Specific Safety Precautions for Use

- **Hazard Identification:** The primary hazards associated with using the crimp die include:
  - Improper crimping leading to bullet setback or failure to chamber.
  - Potential for injury if the die is mishandled.
- **Avoiding Hazards:**
  - Always ensure that the die is securely mounted to the reloading press before use.
  - Do not exceed the recommended crimp pressure to prevent damage to the bullet or casing.
  - Wear safety glasses to protect your eyes from debris while reloading.
  - Keep hands clear of moving parts during operation.
  - Do not use the die if it is damaged or malfunctioning.
- **Age Specific Warnings:** This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is turned off and unplugged.
  2. Securely attach the crimp die to the press using the appropriate threading (7/8"14).
  3. Adjust the die to the desired height for crimping.
  4. Insert the shellholder into the press (not included with die) to hold the cartridge case.
- **Usage:**
  1. Place a cartridge case into the shellholder.
  2. Insert a bullet into the case mouth.
  3. Slowly raise the ram of the press to bring the case into contact with the die.
  4. Apply a firm crimp by continuing to raise the ram until the desired crimp is achieved.
  5. Lower the ram and remove the crimped cartridge.
  6. Repeat the process for additional cartridges as needed.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations for hazardous waste.
- If disposing of the die, ensure it is rendered unusable to prevent accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Lee Precision 7x57mm Mauser Factory Crimp Die, please refer to the manufacturer's website or customer support resources. Ensure you have the product details available for reference.

By following these safety guidelines and instructions, you can help ensure a safe and effective reloading experience with your Lee Precision Factory Crimp Die. Thank you for your attention to safety!
