Safety Instruction Guide for SCALE PAN/FUNNEL RCBS ELECTRONIC SCALE POWDER FUNNEL PAN

Introduction

Thank you for choosing the SCALE PAN/FUNNEL RCBS ELECTRONIC SCALE POWDER FUNNEL PAN. This product is designed to enhance your reloading experience by integrating a powder funnel that allows you to pour powder directly into the case. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear before use.
- Always use the product in a wellventilated area to avoid inhalation of powder particles.
- Do not exceed the recommended weight capacity of the electronic scale to prevent malfunction.
- Follow all local regulations regarding the handling and storage of reloading materials.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling powders.
- Avoid using the product near open flames or sources of ignition.
- Never leave the product unattended while in use.
- Do not use the product if you are under the influence of drugs or alcohol.
- Ensure that the area is clean and free from any distractions before starting your reloading process.
- Be cautious of static electricity; discharge any static buildup before handling powders.

Instructions for Installation and Usage

1. Unpacking the Product

- Remove the SCALE PAN/FUNNEL from its packaging.
- Inspect the product for any visible damage or defects.
- If any damage is found, do not use the product and contact customer support.

2. Setting Up the Electronic Scale

- Place the electronic scale on a flat, stable surface.
- Ensure that the scale is level for accurate measurements.
- Plug in the electronic scale and turn it on following the manufacturer's instructions.

3. Using the Powder Funnel Pan

- Attach the integrated powder funnel securely to the scale if required.
- Measure the desired amount of powder using the electronic scale.
- Carefully pour the powder through the funnel into the case, ensuring no spillage occurs.
- After use, clean the funnel and pan thoroughly to prevent crosscontamination of powders.

4. Storing the Product

- Store the SCALE PAN/FUNNEL in a cool, dry place.
- Keep the product away from direct sunlight and moisture.

- Ensure that the product is stored out of reach of children and pets.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SCALE PAN/FUNNEL RCBS ELECTRONIC SCALE POWDER FUNNEL PAN. Always prioritize safety and adhere to the guidelines provided to enhance your reloading experience. Thank you for your attention to these important safety measures.
