Safety Instruction Guide for RCBS Advanced Powder Measure Stand

Introduction

Thank you for choosing the RCBS Advanced Powder Measure Stand. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the stand to avoid any potential hazards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear and tear or damage to the product.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Stability:** Ensure the stand is securely bolted to a stable reloading bench or table before use.
- **Weight Limit:** Do not exceed the weight limit recommended by the manufacturer for any powder measures used with the stand.
- **Clear Area:** Maintain a clear work area around the stand to prevent accidents.
- **Avoid Distractions:** Do not use the stand when distracted or under the influence of substances that impair judgment.
- **Protective Gear:** Consider wearing safety glasses and gloves when using the powder measure to protect against accidental spills or splashes.

Instructions for Installation and Usage

1. Installation:

- Choose a stable and level surface for installation.
- Use the required tools to securely bolt the stand to your reloading bench or table.
- Ensure that the stand is firmly in place before proceeding to use it.

2. Using the Stand:

- Attach the powder measure to the stand using the standard 7/8"14 thread.
- Position the powder scale pan or cases in a loading block under the drop tube to ensure proper alignment.
- Follow the manufacturer's instructions for the specific powder measure being used.

3. Maintenance:

- Regularly inspect the stand for any signs of wear or damage.
- Clean the stand according to the manufacturer's recommendations to maintain its functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonfood products.
- Ensure that any components that may be hazardous are handled and disposed of properly.

Contact Information for Further Support

For additional support or inquiries regarding safety concerns, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

By following these guidelines, you will help ensure a safe and efficient experience with your RCBS Advanced Powder Measure Stand. Thank you for your attention to safety.
