

# AR-15 ACS-L STOCK COLLAPSIBLE MIL-SPEC - MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Extra-Slim Profile For Added Maneuverability

The Adaptable Carbine Stock-Light (ACS-L) is a slimmed-down, lightweight, version of Magpul's popular ACS stock. The ACS-L provides extra maneuverability by eliminating the ACS's side storage compartments, while retaining the wide, sloping top for a secure, comfortable cheekweld. Also retained is the storage compartment in the tail of the stock, and the friction locking system that prevents unwanted wobble after extending the stock. Includes a reversible socket for QD pushbutton sling swivels and a 1" sling loop molded in the toe of the stock. The .3" thick rubber recoil pad can be replaced by Magpul Tactical Recoil Pads (sold separately). Models available to fit Mil-Spec (1.14" O.D.) carbine buffer tubes. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included.

## Attributes

- Name: [MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 ODG](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100010523
- Mfr. No.: MAG378-ODG

# Safety Instruction Guide for AR15 ACSL Stock

## Introduction

Thank you for choosing the AR15 ACSL Stock. This guide provides important safety information, installation instructions, and usage guidelines to ensure your safety and the proper functioning of your product. Please read this guide carefully before using the stock.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Use the stock only with compatible MilSpec buffer tubes (1.14" O.D.).
- Regularly inspect the stock for any signs of wear or damage before each use.
- Do not use the stock if it shows signs of damage or malfunction.
- Keep the stock out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the friction locking system is engaged to prevent unwanted wobble when the stock is extended.
- Always check that the stock is properly secured to the buffer tube before use.
- Do not exceed the recommended length of pull adjustments.
- Use only Magpul Tactical Recoil Pads (sold separately) if you wish to replace the rubber recoil pad.
- Be cautious when using the QD pushbutton sling swivels and the sling loop; ensure they are securely attached.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Stock:** If applicable, remove the existing stock from your AR15 by unscrewing the receiver extension nut.
3. **Attach the ACSL Stock:**
  - Slide the ACSL stock onto the buffer tube.
  - Secure the stock by tightening the receiver extension nut.
4. **Adjust Length of Pull:**
  - Adjust the length of pull by sliding the stock to the desired position.
  - Confirm that the friction locking system is engaged to lock the stock in place.

### Usage

- To extend the stock, pull it outwards until it clicks into place.
- To retract the stock, press the release button and slide it back to the desired position.
- Use the storage compartment located at the tail of the stock for small items.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic waste.
- Do not incinerate the stock as it may release harmful substances.
- If the stock is damaged beyond use, contact your local waste management service for proper disposal methods.

## **Contact Information for Further Support**

For further support or inquiries regarding the AR15 ACSL Stock, please refer to the manufacturer's website or contact customer service directly.

Please ensure that you adhere to all safety guidelines and practices outlined in this guide to ensure a safe and enjoyable experience with your AR15 ACSL Stock. Thank you for your attention to safety.
