

HAMMERS FOR 1911 COMMANDER HANDGUN - HARRISON DESIGN & CONSULTING ORIGINAL COMMANDER HAMMER ROUND HOLE BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

Manufactured from top grade tool steel to provide precise fit and reliable, consistent function under the most demanding conditions. Each part is wire EDM'd and CNC machined for a precise +/- .0005" tolerance then heat treated to Rc 53 - 56, then honed and mirror polished to give Extreme Service in your pistol. All of Harrison and Design Consulting's hammers have a prepped full cock notch that's .020" deep and a captive half cock notch that's full width, per the original prints. It can be successfully installed in all 1911s whether having a firing pin safety or not. The hammer is slightly narrowed to avoid unwanted contact with the slide or ejector and features the standard original round hole configuration. The rowel style spur has deep serrations to help you keep the hammer under control and all exterior corners are CNC machine beveled to minimize snagging and abrasion. This hammer looks great in your "Old School" custom.

Safety Instruction Guide for HAMMERS FOR 1911 COMMANDER HANDGUN

Introduction

Thank you for choosing the HAMMERS FOR 1911 COMMANDER HANDGUN designed by Harrison Design & Consulting. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your hammer. Please read this document carefully to understand how to handle and maintain your product safely.

General Safety Guidelines

- **Product Safety:** Ensure that the hammer is used according to the manufacturer's specifications. This product is designed for use with 1911 Commander handguns only.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. You can check for updates on the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements to guarantee the authenticity and safety of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the EU's designated contact points provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Only install the hammer if you have experience with firearm maintenance.
 - Ensure the firearm is unloaded before beginning installation.
- **During Use:**
 - Always handle the handgun with care, treating it as if it is loaded.
 - Avoid placing fingers on the trigger until ready to shoot.
 - Ensure that the hammer is properly installed to prevent malfunctions.
- **Maintenance:**
 - Regularly inspect the hammer for wear and tear.
 - If any damage is observed, discontinue use and consult a professional gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a punch, hammer, and safety glasses.
- Work in a clean, welllit environment to avoid losing small parts.

2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the grip panels and any components necessary to access the hammer.
- Carefully remove the existing hammer using a punch to drive out the hammer pin.
- Install the new hammer by aligning it properly in the frame.
- Insert the hammer pin to secure the hammer in place.
- Reassemble the firearm by replacing any components that were removed.

3. PostInstallation Checks:

- Conduct a function check to ensure the hammer operates correctly.
- Verify that the full cock notch and half cock notch are functioning as intended.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, seek out local hazardous waste disposal facilities if necessary.

Contact Information for Further Support

For any inquiries related to safety or product information, please refer to the manufacturer's contact points provided with your purchase.

By following these guidelines, you can ensure the safe and effective use of your HAMMERS FOR 1911 COMMANDER HANDGUN. Always prioritize safety and consult a professional if you are uncertain about any aspect of installation or usage.
