

# 1911 EXTREME SERVICE HAMMER STRUT & PIN - HARRISON DESIGN & CONSULTING EXTREME SERVICE HAMMER STRUT & PIN

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Struts](#)

The Extreme Service Hammer Strut is correctly designed for all 1911 applications. The shape of the hammer strut is designed to prevent the hammer strut from rubbing the sear spring, which can cause the tension of the sear spring to unload. The Extreme Service strut is wire EDM machined from hardened tool steel for maximum durability and high strength, giving the reliability you can count on from your 1911. Available in the white or in IonBond Black DLC.

# Safety Instruction Guide for the 1911 Extreme Service Hammer Strut & Pin

## Introduction

Thank you for choosing the 1911 Extreme Service Hammer Strut & Pin by Harrison Design & Consulting. This product is designed for enhanced performance and reliability in all 1911 applications. To ensure safe use and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- Product Safety:** Ensure safe use of the hammer strut and pin. Follow all instructions to minimize risks associated with improper handling or installation.
- Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check for updates on the EU's Safety Gate platform.
- Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety requirements and provides necessary product information.
- Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer or manufacturer upon purchase.
- Rapid Alerts:** Be aware of any updates regarding product safety through the Safety Gate system.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of improper installation leading to malfunction.
- Potential injury from improper handling during installation or use.

### • Avoiding Hazards:

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling the hammer strut and pin.
- Ensure the firearm is unloaded before installation or maintenance.
- Do not force the hammer strut into place; it should fit snugly without excessive pressure.
- Regularly inspect the hammer strut and pin for signs of wear or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools for installation, including a punch tool for pin insertion.
- Work in a clean, welllit area to avoid losing small components.

### 2. Installation Steps:

- **Step 1:** Ensure the firearm is completely unloaded and cleared of any ammunition.
- **Step 2:** Remove the existing hammer strut and pin if applicable.
- **Step 3:** Align the new hammer strut with the hammer and sear spring.
- **Step 4:** Insert the hammer strut into position, ensuring it does not rub against the sear spring.
- **Step 5:** Use the punch tool to carefully insert the pin, securing the hammer strut in place.

- **Step 6:** Check the installation for proper alignment and functionality before using the firearm.

### 3. Usage:

- After installation, conduct a function check of the firearm to ensure that the hammer strut operates correctly.
- Regularly maintain the firearm and inspect the hammer strut and pin for any signs of wear or damage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the hammer strut or pin becomes damaged beyond repair, dispose of it in a manner that prevents it from being reused in a way that could cause harm.

## Contact Information for Further Support

For any questions or concerns regarding the 1911 Extreme Service Hammer Strut & Pin, please refer to the contact information provided by your retailer or manufacturer. It is important to reach out for support if you have any issues or require further guidance on the safe use of this product.

Thank you for ensuring safety and compliance while using the 1911 Extreme Service Hammer Strut & Pin. Your attention to these guidelines helps promote a safer experience for all users.
