

1911 OPERATOR II G10 GRIPS - VZ GRIPS VZ OPERATOR II GRIPS, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Unique Texturing Patterns For Excellent Hold & Weapon Control

Rugged grip panels made from tough G10 fiberglass offer the durability and superior gripping texture of modern composite materials. Advanced G10 laminate won't absorb moisture, resists impact, and won't expand or contract due to temperature fluctuation—perfect for all-weather operations and extreme conditions. Texturing is CNC machined into the laminate, then hand-finished to ensure uniform pattern depth. The hard surface allows the texturing to be cut a little sharper to give more “bite” than traditional checkered wood grips. Operator II - Offers the same basic design and G10 fiberglass construction as VZ's original Operator grips with the substitution of golfball pattern texturing on the leading edge next to the front strap, plus a thumb recess for the mag release. Excellent choice for the action competition shooter or tactical operator.

Attributes

- Name: [VZ GRIPS VZ OPERATOR II GRIPS, BLACK](#)
- Manufacturer: [VZ GRIPS](#)
- Product no.: 100011277
- Mfr. No.: O2-B-A

1911 OPERATOR II G10 GRIPS Safety Instruction Guide

Introduction

Thank you for choosing the 1911 OPERATOR II G10 GRIPS by VZ GRIPS. This guide provides essential safety information and instructions to ensure the proper use and maintenance of your grip panels. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the grips.
- Always handle your firearm with care and follow all firearm safety rules.
- Inspect the grips regularly for any signs of wear or damage.
- Do not use the grips if they show any signs of cracks, chips, or other damage.
- Keep the grips away from extreme temperatures and moisture to maintain their integrity.
- If you experience any discomfort or notice any issues while using the grips, discontinue use immediately.

Specific Safety Precautions for Use

- The grips are designed for use on 1911 Government and Commander models only.
- Ensure that the firearm is unloaded before installing the grips.
- Use caution when handling tools during installation to avoid injury.
- Avoid applying excessive force when gripping the firearm, as this may lead to loss of control.
- Keep the grips out of reach of children and vulnerable individuals.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather the necessary tools: a screwdriver suitable for the grip screws.

2. Installation:

- Remove the existing grips by unscrewing the grip screws with the screwdriver.
- Carefully detach the old grips from the firearm.
- Align the new VZ OPERATOR II G10 GRIPS with the frame of the firearm.
- Secure the grips in place by inserting and tightening the grip screws. Do not overtighten, as this may damage the grips or the firearm.

3. Usage:

- Once installed, ensure that the grips are secure before using the firearm.
- Practice safe handling and shooting techniques at all times.
- Regularly check the tightness of the grip screws after use.

Disposal Instructions

- Dispose of any damaged grips in accordance with local regulations.
- Do not dispose of the grips in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the 1911 OPERATOR II G10 GRIPS, please consult your retailer or visit the manufacturer's website for additional support and resources.

By following these guidelines, you can ensure the safe and effective use of your 1911 OPERATOR II G10 GRIPS. Thank you for your attention to safety and responsible firearm handling.
