

# 1911 OPERATOR II G10 GRIPS - VZ GRIPS VZ OPERATOR II GRIPS, HYENA BROWN

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Unique Texturing Patterns For Excellent Hold & Weapon Control

Rugged grip panels made from tough G10 fiberglass offer the durability and superior gripping texture of modern composite materials. Advanced G10 laminate won't absorb moisture, resists impact, and won't expand or contract due to temperature fluctuation—perfect for all-weather operations and extreme conditions. Texturing is CNC machined into the laminate, then hand-finished to ensure uniform pattern depth. The hard surface allows the texturing to be cut a little sharper to give more "bite" than traditional checkered wood grips. Operator II - Offers the same basic design and G10 fiberglass construction as VZ's original Operator grips with the substitution of golfball pattern texturing on the leading edge next to the front strap, plus a thumb recess for the mag release. Excellent choice for the action competition shooter or tactical operator.

## Attributes

- Name: [VZ GRIPS VZ OPERATOR II GRIPS, HYENA BROWN](#)
- Manufacturer: [VZ GRIPS](#)
- Product no.: 100011279
- Mfr. No.: 02-HB-A

# Safety Instruction Guide for 1911 OPERATOR II G10 GRIPS

## Introduction

Thank you for choosing the 1911 OPERATOR II G10 GRIPS from VZ GRIPS. These rugged grip panels are designed to enhance your firearm's performance while ensuring safety and comfort during use. This guide provides essential safety instructions and information to help you use this product effectively and safely.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Inspect the grips for any damage or defects before use. Do not use damaged grips.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Ensure that the grips are installed correctly to prevent any operational issues.
- Store the grips in a cool, dry place away from direct sunlight to maintain their integrity.
- Keep the grips away from children and unauthorized users.

## Specific Safety Precautions for Use

- Moisture Resistance:** Although G10 fiberglass is moisture-resistant, always ensure that the grips are dry before handling to maintain grip quality.
- Impact Resistance:** While the grips are designed to resist impact, avoid dropping or subjecting them to unnecessary force.
- Temperature Fluctuation:** Be aware that extreme temperature changes can affect the grip's performance. Avoid exposing the grips to extreme heat or cold.
- Ambidextrous Safety Cut:** This product does not feature an ambidextrous safety cut. Ensure that you are familiar with your firearm's safety features before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools for installation, including a screwdriver appropriate for your firearm's grip screws.
- Ensure your firearm is completely unloaded and safe to handle.

### 2. Installation:

- Remove the existing grips from your firearm by unscrewing the grip screws.
- Align the new G10 grips with the grip frame of your firearm.
- Securely fasten the grip screws, ensuring they are tightened but not overtightened to avoid damaging the grips or the firearm.

### 3. Usage:

- Once installed, familiarize yourself with the feel of the new grips.
- Practice handling your firearm in a safe environment to ensure comfort and control.
- Regularly check the grip screws for tightness, especially after extensive use.

## Disposal Instructions

- Dispose of any damaged grips in accordance with local waste disposal regulations.
- If the grips are no longer usable, consider recycling them if possible. Check with local recycling facilities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or safety concerns regarding the 1911 OPERATOR II G10 GRIPS, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your 1911 OPERATOR II G10 GRIPS. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for choosing VZ GRIPS, and enjoy your enhanced shooting experience!
