

# V8 ATLAS BIPODS - ACCU-SHOT QUICK DETACH PICATINNY V8 ATLAS BIPOD BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

**ATLAS BIPOD V8 BIPODS** Lightweight, aluminum bipod features durable stainless steel locking components and grippy rubber feet to give you a rugged, sure-footed shooting platform. Independently-adjustable, five-position legs extend from 5" to 9" and allow up to 180° of front-to-back adjustment. Pans 30° left or right for smooth target tracking, plus 30° of cant adjustment makes it easy to align your crosshairs, regardless of terrain. Available with three attachment options: a quick-detach Picatinny lever mount, a more permanent two-screw Picatinny mount, or a No-Clamp mounting option that fits any 17S size lever-style mount when using the proper adapter (sold separately), including the A.R.M.S. 17S, American Defense AD-170, Badger Ordnance TRAMP, or LaRue Tactical LT271.

# V8 ATLAS BIPODS ACCUSHOT QUICK DETACH PICATINNY Safety Instruction Guide

## Introduction

Thank you for choosing the V8 ATLAS BIPODS ACCUSHOT QUICK DETACH PICATINNY. This guide provides essential safety instructions and information to ensure the safe and effective use of your bipod. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the bipod is used only for its intended purpose.
- Regularly inspect the bipod for any signs of wear or damage before each use.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Store the bipod in a cool, dry place to prevent corrosion and damage.
- Follow all local laws and regulations regarding the use of bipods and firearms.

## Specific Safety Precautions for Use

- Always ensure that the bipod is securely attached to the firearm before use.
- Do not exceed the weight limit specified for the bipod.
- Avoid using the bipod in wet or slippery conditions to prevent accidents.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the bipod.
- Always ensure that the bipod is fully extended and locked in place before use.
- Do not attempt to modify or disassemble the bipod, as this may compromise its safety and functionality.

## Instructions for Installation and Usage

### 1. Attachment to Firearm:

- Choose the appropriate attachment option: quickdetach Picatinny lever mount, twoscrew Picatinny mount, or NoClamp mounting option.
- If using the quickdetach Picatinny lever mount, ensure that it is securely locked into place.
- For the twoscrew mount, use the provided screws to attach the bipod firmly to the Picatinny rail.
- If using the NoClamp option, ensure that you have the proper adapter for your leverstyle mount.

### 2. Adjusting the Bipod:

- To extend the legs, press the release buttons and pull the legs to the desired length (5" to 9").
- Adjust the angle of the legs for stability on uneven terrain.
- Use the cant adjustment to align your crosshairs with your target.

### 3. Using the Bipod:

- Position the bipod on a stable surface or ground.
- Ensure that the rubber feet are making full contact with the surface for maximum stability.
- Track your target by panning the bipod 30° left or right as needed.

### 4. PostUse Care:

- After use, clean the bipod with a soft cloth to remove dirt and moisture.
- Store the bipod in its original packaging or a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations for metal and plastic waste.
- Do not dispose of the bipod in regular household waste.
- Consider recycling the materials if possible.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the V8 ATLAS BIPODS ACCUSHOT QUICK DETACH PICATINNY, please refer to the manufacturer's contact information provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your V8 ATLAS BIPODS ACCUSHOT QUICK DETACH PICATINNY. Always prioritize safety and compliance with local laws while enjoying your shooting activities.
