

# **POLYMER AEK TRIGGER KIT - APEX TACTICAL SPECIALTIES INC**

## **POLYMER AEK TRIGGER KIT**

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Polymer AEK Trigger Kit The Apex Polymer Action Enhancement Trigger Kit directly replaces the factory hinged trigger with a solid body polymer trigger with a center mounted pivoting safety. The rounded face of the trigger provides a smooth, comfortable surface for the shooter's finger while firing. The trigger also reduces pre-travel by approximately 20% from the factory trigger and is perfect for use in M&P's already equipped with an Apex Comp AEK or Duty/Carry AEK. NOTE: Will NOT function in M&P M2.0 pistols, M&P Shield or Shield M2.0 pistols, or any of the APEX Forward Set Sear and Trigger Kits

### **Attributes**

# Safety Instruction Guide for the Polymer AEK Trigger Kit

## Introduction

Thank you for choosing the Polymer AEK Trigger Kit from Apex Tactical Specialties Inc. This guide provides important safety information, installation instructions, and general usage guidance to ensure safe and effective operation of your trigger kit. Please read this guide carefully before use.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition securely and out of the reach of children.
- Regularly inspect your firearm and accessories for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

When using the Polymer AEK Trigger Kit, please observe the following safety precautions:

- Ensure that the trigger kit is installed correctly before using your firearm.
- Do not use the Polymer AEK Trigger Kit in M&P M2.0 pistols, M&P Shield, or Shield M2.0 pistols.
- Avoid using the trigger kit if you notice any unusual wear or damage.
- If you experience any malfunction during use, cease operation immediately and inspect the firearm and trigger kit.
- Keep the trigger area clean and free from debris to prevent malfunctions.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before starting the installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions to disassemble your Smith & Wesson M&P pistol.
3. **Remove the Factory Trigger:** Carefully remove the factory hinged trigger from the firearm.
4. **Install the Polymer AEK Trigger:**
  - Align the Apex Polymer Action Enhancement Trigger with the trigger housing.
  - Securely attach the trigger using the provided hardware.
5. **Install the Heavy Duty Sear Spring:**
  - Replace the factory sear spring with the heavy-duty sear spring included in the kit.
6. **Install the Apex Trigger Return Spring Slave Pin:**
  - Follow the instructions to correctly install the trigger return spring slave pin.
7. **Reassemble the Firearm:** Once the installation is complete, reassemble your firearm according to the manufacturer's instructions.
8. **Test Functionality:** Conduct a safe function check to ensure that the trigger operates correctly before use.

## Usage Instructions

- Always perform a function check before using your firearm after installation.
- Practice safe handling and shooting techniques at all times.
- Regularly inspect the trigger kit for wear and ensure it is functioning correctly.

## Disposal Instructions

When disposing of the Polymer AEK Trigger Kit or any associated components, please follow these steps:

- Do not dispose of the trigger kit in regular household waste.
- Check local regulations for the proper disposal of firearm accessories.
- Consider contacting a local firearms dealer or recycling center for guidance on safe disposal.

## Contact Information for Further Support

For any questions or concerns regarding the Polymer AEK Trigger Kit, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Polymer AEK Trigger Kit. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important details.
