## XDM 45 DROP IN TRIGGER KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Powder River Precision XD/XDM Drop In Trigger Kit contains their famous striker safety lever, which removes the long trigger pre-travel on XD triggers. The kit includes reduced power; trigger spring, sear spring, striker safety spring, and striker spring. These reduced power springs allow for a lowered pull weight. The PRP Drop in Trigger is constructed of lightweight polymer that assists in speeding up trigger reset. It also has an integral over travel stop on the back of the trigger. This integral stop removes added stress on the trigger bar that is present with other over travel stop methods. When installed, this kit provides a short, crisp trigger pull (3.5-4.5lbs) with a fast reset and shortened overall trigger pull length. Available for all XD/XDM except for the 45 XD with thumb safety. The XDM model has received the American Pistolsmith Guild Seal of Approval.

### Attributes

- Name: [POWDER RIVER PRECISION INC XDM 45 DROP IN TRIGGER KIT](#)
- Manufacturer: [POWDER RIVER PRECISION INC](#)
- Product no.: 100013389
- Mfr. No.: PRP-056-45
- Finish: Black

# XD/XDM Drop In Trigger Kit Safety Instructions

## Introduction

Thank you for choosing the Powder River Precision XD/XDM Drop In Trigger Kit. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe and effective use of your new trigger kit. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the trigger kit out of reach of children and unauthorized users.
- Always handle firearms with care and follow all safety protocols.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Regularly check the product for any wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, ensure that your firearm is unloaded and that the magazine is removed.
- Avoid using the trigger kit if you notice any signs of damage or malfunction.
- Only use the trigger kit with compatible models as specified in the product specifications.
- Do not modify the trigger kit or attempt to repair it yourself.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be cautious of the reduced pull weight; ensure you are familiar with the trigger's sensitivity before use.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your firearm is unloaded and placed on a stable surface.
2. **Remove the Existing Trigger:** Follow the manufacturer's instructions for removing the existing trigger assembly from your XD/XDM model.
3. **Install the Trigger Kit:**
  - Carefully insert the Powder River Precision Drop In Trigger Kit into the trigger housing.
  - Ensure that all components are properly seated and aligned.
4. **Check Functionality:** Before reassembling your firearm, manually check the trigger function to ensure it operates smoothly.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.

### Usage

- Once installed, practice dry firing in a safe environment to familiarize yourself with the new trigger pull weight (3.54.5lbs).
- Always ensure the firearm is pointed in a safe direction when testing the trigger.
- If you encounter any issues with the trigger, discontinue use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the trigger kit in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the trigger kit in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the XD/XDM Drop In Trigger Kit, please refer to the manufacturer's website or contact their customer support directly.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Powder River Precision XD/XDM Drop In Trigger Kit. Remember, safety is paramount when handling firearms.
