# Safety Instruction Guide for XDM Ultimate Match Target Trigger Kits

## Introduction

Thank you for choosing the XDM Ultimate Match Target Trigger Kit by Powder River Precision Inc. This guide provides essential safety instructions to ensure the safe installation and use of your trigger kit. Please read this guide carefully before proceeding.

## General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their operation.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the trigger kit and all firearms out of reach of children and unauthorized users.
- Use appropriate safety gear, including eye and ear protection, when handling firearms.
- Regularly inspect the trigger kit and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only install the trigger kit in compatible models as specified: Springfield XDM.
- Ensure that the firearm is unloaded before installation or adjustment of the trigger kit.
- Follow all local laws and regulations regarding firearm modifications.
- If you are unsure about the installation or use of the trigger kit, consult a qualified gunsmith.
- Never use the firearm with the trigger kit if you experience any malfunctions or irregularities during operation.
- Keep your fingers off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch set and screwdrivers.

### 2. Installation:

- Remove the slide and frame from the firearm according to the manufacturer's instructions.
- Carefully follow the gunsmith fitting instructions included with the kit.
- Replace the existing trigger with the new trigger from the kit.
- Ensure all components are securely installed and functioning correctly.

### 3. Testing:

- After installation, perform a function check to ensure the trigger operates smoothly.
- Verify that the trigger pull weight is within the specified range of 3.54lbs.
- If necessary, make adjustments according to the fitting instructions.

### 4. Usage:

- Use the firearm in a safe and controlled environment.
- Regularly practice safe handling techniques and ensure proper training for all users.

## **Disposal Instructions**

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste. Instead, consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the XDM Ultimate Match Target Trigger Kit, please refer to the manufacturer's website or contact their customer service.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your XDM Ultimate Match Target Trigger Kit. Thank you for prioritizing safety.
