# Safety Instruction Guide for the RS REGULATE 12 Gauge Barrel Accessory Mount

## Introduction

Thank you for choosing the RS REGULATE 12 Gauge Barrel Accessory Mount (BM12G). This accessory mount is designed for traditional tubefed shotguns and features a 4 cross slot 1913 Picatinny rail, selfadjusting clamp arms, and durable construction. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the accessory mount is compatible with your shotgun model before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the accessory mount with compatible shotguns. Using it with incompatible models may result in accidents or injuries.
- Ensure that the mount is securely attached to the shotgun before use.
- Do not exceed the weight limit specified by the manufacturer for the mounted accessories.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Regularly check the tightness of the mount and any attached accessories to prevent loosening during use.
- Use protective eyewear when handling or installing the accessory mount.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Identify the mounting location on the shotgun barrel.
- Align the accessory mount with the shotgun's barrel and ensure it fits securely.
- Tighten the clamp arms evenly to secure the mount in place, ensuring it does not move.
- Doublecheck that the mount is firmly attached before proceeding.

### 2. Usage:

- Once installed, attach your desired accessories to the Picatinny rail.
- Ensure all accessories are securely fastened and tested for stability before use.
- Always follow the manufacturer's guidelines for the specific accessories you are using.

### 3. Maintenance:

- Regularly inspect the mount for signs of wear or damage.
- Clean the mount with a soft cloth and mild cleaner as needed. Avoid harsh chemicals that may damage the finish.
- Store the shotgun and accessory mount in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the accessory mount in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Remove any accessories attached to the mount before disposal.

## **Contact Information for Further Support**

For any inquiries regarding product safety or support, please refer to the manufacturer's website or contact your local distributor. Always ensure you have the latest information regarding safety guidelines and product recalls.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your RS REGULATE 12 Gauge Barrel Accessory Mount. Thank you for your attention to these important safety measures.
