

MS1 MULTI-MISSION SLING - MAGPUL MS1 TWO-POINT RIFLE SLING RANGER GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Configure The Exact Sling You Want - Change It Any Time You Want

All new for 2014, the MS1 Sling System takes the Magpul multi-mission sling concept to new levels of function, capability, and modularity. The entire system is based on the MS1, a dedicated two-point sling built around our innovative new slider, which provides rapid sling adjustments without the tails, loops, or bulk of other solutions. Even while wearing gloves, the new slider is faster, easier, and lower profile than previous slings, but your sling setting stays put, even under load. The MS1 comes without connecting hardware so you can choose what you need for your specific application. Magpul Paraclips and push-button QDs are available individually to complement our selection of sling attachment points. For the option to convert to one-point use, simply add the appropriate one-point adapter that works with your choice of hardware. Melonite™ and manganese phosphate finished steel with custom snag-free high durability 1-1/4" webbing. Made in U.S.A. Available in Black, Coyote and Ranger Green.

Attributes

- Name: [MAGPUL MS1 TWO-POINT RIFLE SLING RANGER GREEN](#)

MS1 MultiMission Sling Safety Instruction Guide

Introduction

Thank you for choosing the MS1 MultiMission Sling by Magpul. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new sling. Please read and follow these instructions carefully to maximize your safety and the performance of the product.

General Safety Guidelines

- Always inspect the sling before use for any signs of wear, damage, or defects. Do not use if any issues are found.
- Ensure that all attachment points are secure and compatible with your firearm or equipment.
- Keep the sling away from sharp objects, heat sources, and chemicals that may cause damage.
- Use the sling only for its intended purpose as specified in this guide.
- Store the sling in a cool, dry place when not in use.
- If you notice any unusual wear or malfunction during use, cease use immediately and inspect the sling thoroughly.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children. Ensure that only adults use the sling.
- **Proper Adjustment:** Adjust the sling to fit securely and comfortably. Ensure that it does not interfere with your movement or access to your firearm.
- **Load Capacity:** Be aware of the load capacity of the sling and do not exceed it. Using the sling with excessive weight may lead to failure.
- **Environmental Conditions:** Avoid using the sling in extreme weather conditions that may affect its performance, such as heavy rain or snow.
- **Training:** Familiarize yourself with the operation of the sling and practice using it in a safe environment before engaging in any activities.

Instructions for Installation and Usage

1. Installation:

- Choose the appropriate attachment hardware for your specific application. Magpul Paraclips and pushbutton QDs are available separately.
- Attach the sling to your firearm or equipment using the selected hardware, ensuring that it is securely fastened.
- Adjust the sling length using the innovative slider for a comfortable fit. Test the adjustment to ensure it holds under load.

2. Usage:

- When wearing the sling, ensure that it is positioned correctly for optimal support and comfort.
- Practice quick adjustments while wearing gloves to become familiar with the slider mechanism.
- Always maintain control of your firearm while using the sling, and ensure that the sling does not obstruct your line of sight or movement.

Disposal Instructions

- Dispose of the sling in accordance with local regulations. If the sling is damaged or no longer usable, consider recycling materials where possible.
- Do not burn the sling, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MS1 MultiMission Sling, please refer to the contact details provided on the product packaging or visit the official Magpul website for more information.

By following these guidelines, you can ensure the safe and effective use of your MS1 MultiMission Sling. Thank you for your attention to safety, and enjoy your new product!
