# Safety Instruction Guide for MS1/MS3® QD Adapter Fits Paraclip for 2to1 Point Sling

## Introduction

Thank you for choosing the MS1/MS3® QD Adapter that fits the Paraclip for 2to1 point sling. This product is designed to enhance your sling's versatility and functionality. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the sling and adapter for wear and damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for installation and usage.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the adapter is securely attached to both the sling and the weapon before use.
- **Weight Limit:** Do not exceed the recommended weight capacity of the sling system to avoid failure.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance.
- **Emergency Use:** Familiarize yourself with the quickrelease capabilities of the adapter for emergency situations.
- **Inspection:** Regularly check the integrity of the hardware, including the pushbutton QD sling swivel and webbing, for signs of wear or damage.

## Instructions for Installation and Usage

### 1. Installation

- Attach the QD adapter to the designated socket on the weapon's receiver, end plate, or buttstock.
- Ensure that the adapter clicks securely into place, indicating proper attachment.
- If using the optional Paraclip™, attach it to the front of the sling and ensure compatibility with your mounting systems (e.g., Magpul RSA®, MSA®, Forward Sling Mounts).

### 2. Usage

- Adjust the length of the sling to your preference for comfort and accessibility.
- Utilize the onetotwopoint conversion feature by switching between configurations as needed.
- If an emergency arises, utilize the quickrelease mechanism to detach the sling swiftly.

### 3. PostUse Care

- Clean the webbing and hardware after use to maintain performance.
- Store the sling in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and polymer materials.
- Do not dispose of the product in household waste. Check for designated recycling facilities.

## **Contact Information for Further Support**

For any inquiries about safety, usage, or concerns regarding the MS1/MS3® QD Adapter, please refer to the customer support section provided by the manufacturer.

Please remember to report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority.
