

1911A1 ALIGNER INSERT - MAGLULA LTD. 1911AI ALIGNER INSERT

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

An aligning insert add-on for the UPLULA or 22 UPLULA loaders. It assist loading single-stack magazines by eliminating wiggling of the mag inside the loader. It's an insert to your existing loader, not a new loader. Best for: 1911 .45ACP mags (Using the UpLULA™) 9mm single-stack mags (Using the UpLULA™) Converted .22LR 1911 mags (Using the 22UpLULA™) The 1911AI™ is useful with mags of width less than 14.5mm (0.57"). Wider mags will not fit in.

Safety Instruction Guide for 1911A1 ALIGNER INSERT by MAGLULA LTD.

Introduction

Thank you for choosing the 1911A1 ALIGNER INSERT by MAGLULA LTD. This insert is designed to enhance the functionality of your UPLULA or 22 UPLULA loaders, allowing for easier loading of singlestack magazines. To ensure a safe and effective experience, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the product as intended and follow all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the insert and loader for signs of wear or damage before use.
- In case of any malfunction or if the product appears damaged, discontinue use immediately and seek assistance.
- Always report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the insert is compatible with your loader model before use.
- Only use the insert with magazines that have a width of less than 14.5mm (0.57 inches). Wider magazines will not fit.
- Do not attempt to modify the insert or loader as this may compromise safety.
- Avoid using the insert in wet or damp conditions to prevent slipping or malfunction.
- Always handle the loader and magazines with care to avoid injury.

Instructions for Installation and Usage

1. Installation of the Aligner Insert:

- Ensure that your UPLULA or 22 UPLULA loader is clean and free from debris.
- Align the insert with the designated area of the loader.
- Firmly press the insert into place until it is securely fitted. Ensure there are no gaps.

2. Using the Aligner Insert:

- Load the magazine into the loader with the insert in place.
- Ensure the magazine is seated properly to prevent any movement.
- Follow the standard loading procedure as per the loader's instructions.
- If the magazine wobbles or does not fit securely, remove it and check for compatibility.

3. PostUse Care:

- After using the loader and insert, clean them according to the manufacturer's recommendations.
- Store the loader and insert in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of the insert and loader according to local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the 1911A1 ALIGNER INSERT, please refer to the product packaging or visit the manufacturer's website for additional information.

Thank you for prioritizing safety while using the 1911A1 ALIGNER INSERT. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
