Load & Unload Magazines Fast; Saves Overworked Fingers & Thumbs

Tough, lightweight, reinforced, black-polymer loader/unloader saves fingers, thumbs, and wasted time; lengthens magazine life and lessens wear and tear on magazine lips. Staggered, triangular pieces of plastic securely grasp rounds for effortless loading/unloading when you move the lever back and forth. Fits in your pocket.

SR25/DPMS LULA LOADER & UNLOADER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SR25/DPMS LULA Loader & Unloader by MAGLULA LTD. This product is designed to enhance your shooting experience by simplifying the loading and unloading of magazines. To ensure your safety and the proper use of this product, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Always handle the loader/unloader with care, ensuring that it is not loaded with ammunition when not in use.
- Keep the loader/unloader out of reach of children and unauthorized individuals.
- Inspect the loader/unloader before each use to ensure it is in good working condition.
- Use the loader/unloader only for its intended purpose as described in this manual.
- Store the loader/unloader in a dry place away from extreme temperatures to prevent damage.

Specific Safety Precautions for Use

- **Avoid Injury:** Ensure your fingers and hands are clear of the loader/unloader's moving parts when operating.
- **Loading and Unloading:** Always follow the correct procedure for loading and unloading ammunition to prevent jams or misfires.
- **Check Compatibility:** Verify that the loader/unloader is compatible with your magazine type and caliber (30 Caliber/.308).
- **Wear Safety Gear:** Consider wearing safety glasses when using the loader/unloader to protect your eyes from potential debris.
- **Do Not Modify:** Do not attempt to modify or alter the loader/unloader in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Loading the Magazine:

- Place the loader/unloader on a stable surface.
- Insert the magazine into the loader/unloader, ensuring it is securely positioned.
- Place a round of ammunition into the loader/unloader's opening.
- Move the lever back and forth to load the round into the magazine.
- Repeat the process until the magazine is fully loaded.

2. Unloading the Magazine:

- Ensure the magazine is removed from the firearm before using the loader/unloader.
- Insert the magazine into the loader/unloader.
- Move the lever back and forth to remove the rounds from the magazine.
- Continue until all rounds are unloaded.

3. Storage:

- After use, clean the loader/unloader with a dry cloth to remove any debris.
- Store the loader/unloader in a designated area, ensuring it is free from moisture and extreme

temperatures.

Disposal Instructions

- When disposing of the loader/unloader, follow local regulations for plastic disposal.
- Do not dispose of the loader/unloader in fire, as it may release harmful fumes.
- If the loader/unloader is damaged or no longer usable, consider recycling it if possible.

Contact Information for Further Support

For any questions or concerns regarding the SR25/DPMS LULA Loader & Unloader, please consult the product's official website or contact your local distributor for assistance. Always refer to the EU Safety Gate platform for updates on product safety and recalls.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SR25/DPMS LULA Loader & Unloader. Thank you for your attention to these important guidelines.
