

# AR-15 MODULAR STOCK ASSY FIXED RIFLE LENGTH - LUTH-AR

## AR-15 MODULAR STOCK ASSY FIXED RIFLE LENGTH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

### Stocks Add Adjustment & Extra Features To Rifles

Glass-filled nylon rifle stocks fit onto standard A1/A2 buffer tubes and add adjustments and extra features to AR-15 rifles, including most .308 models. Stocks feature textured rubber recoil pads and 2 QD sling sockets for fast sling mounting and dismounting. Modular Stock gives an adjustable cheek rest, and adjustable length of pull. Weighs less compared to other adjustable stocks. Skeleton Stock has futuristic appearance, and helps reduce weight. Will not fit on carbine buffer tubes. Includes Allen wrench for mounting. Sold Separately: Uncle Mike's QD Sockets can be epoxied into socket on the side of each stock, use part# 593-000-038.

### Attributes

# Safety Instruction Guide for AR15 Modular Stock Assembly Fixed Rifle Length

## Introduction

Thank you for choosing the AR15 Modular Stock Assembly Fixed Rifle Length by LUTHAR. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Use only the specified buffer tubes for installation (A1/A2 buffer tubes).
- Regularly inspect the stock for any signs of wear or damage before each use.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the stock on carbine buffer tubes, as it is not designed for this application.
- Ensure that the cheek rest and length of pull adjustments are securely locked before use.
- Be cautious when handling the stock, as sharp edges may be present during installation.
- Avoid exposing the stock to extreme temperatures or harsh chemicals that could compromise its integrity.
- If you experience any issues with the stock during use, cease operation immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

- Gather Tools:** Ensure you have an Allen wrench (included) for installation.
- Prepare the Buffer Tube:** Ensure the buffer tube is clean and free of debris.
- Align the Stock:** Position the stock on the A1/A2 buffer tube, ensuring it is aligned properly.
- Secure the Stock:** Use the Allen wrench to tighten the mounting screws until the stock is firmly attached. Do not overtighten.
- Check Adjustments:** Adjust the cheek rest and length of pull to your preference, ensuring they are locked in place.

### Usage

- Always handle the firearm with care, treating it as if it is loaded.
- Adjust the stock to fit your shooting style and comfort level.
- Practice safe shooting habits at all times.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the AR15 Modular Stock Assembly, please refer to the appropriate contact resources available in your region.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience responsibly!
