# AR15 Safety Selector User Manual

## Introduction

Thank you for choosing the CMMG AR15 Ambidextrous Safety Selector. This product is designed to enhance the functionality of your AR15 and DPMS pattern .308 lower receivers, providing ambidextrous operation for both lefthanded and righthanded users. Please read this manual carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the safety selector is compatible with your AR15 or LR308 lower receiver.
- Always treat your firearm as if it is loaded, even when the safety selector is engaged.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the safety selector and other firearm components for wear or damage.

## Specific Safety Precautions for Use

- Verify that the safety selector is securely installed before use.
- Avoid using excessive force when operating the safety selector.
- Do not modify the safety selector or any firearm components without consulting a qualified gunsmith.
- If you experience any malfunctions or issues with the safety selector, cease use immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing safety selector if applicable.
3. Align the CMMG Ambidextrous Safety Selector with the safety selector hole in the lower receiver.
4. Secure the oppositeside lever with the set screw provided.
5. Tighten the set screw until snug, but do not overtighten to avoid damage.

### Usage

- To engage the safety, rotate the selector to the "SAFE" position.
- To disengage the safety, rotate the selector to the "FIRE" position.
- Practice operating the safety selector while the firearm is unloaded to become familiar with its function.

## Disposal Instructions

When disposing of the safety selector or any firearm components, follow local regulations regarding hazardous materials and electronic waste. Ensure that any disposed items are rendered unusable to prevent unauthorized use.

## Contact Information for Further Support

For any inquiries regarding the safety selector or to report unsafe products, please contact your local authorities or check the EU's Safety Gate platform for updates and recall information.

Thank you for prioritizing safety in your firearm practices. Enjoy your CMMG AR15 Ambidextrous Safety Selector

responsibly.
