# 22 ARC SPRING KIT Safety Instructions

## Introduction

Thank you for choosing the 22 ARC SPRING KIT by CMMG. This kit contains commonly replaced AR15 parts that are essential for refurbishing and repairing your rifle. To ensure your safety and the proper use of this product, please read and follow the safety instructions carefully.

## General Safety Guidelines

- Always handle firearms and their components with care and responsibility.
- Ensure that you are familiar with your firearm's operation and safety features before using this kit.
- Store the kit and its components in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only parts from this kit that are compatible with your specific rifle model.
- Inspect all components for damage or wear before installation.
- Ensure that your firearm is unloaded and pointed in a safe direction before beginning any work.
- Follow the manufacturer's instructions for your firearm when installing or replacing parts.
- Wear appropriate safety gear, including eye protection, when handling and installing parts.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have a clean and welllit workspace.
- Gather all necessary tools as specified in your firearm's manual.

### 2. Installation Steps

- Unload your rifle and ensure it is in a safe condition.
- Remove the existing parts that you intend to replace using the appropriate tools.
- Carefully install the new parts from the 22 ARC SPRING KIT, ensuring they are seated properly.
- Doublecheck that all components are securely installed before reassembling your firearm.

### 3. PostInstallation

- Conduct a function check of your firearm to ensure it operates correctly with the new parts.
- Store any unused parts in a safe location.

## Disposal Instructions

- Dispose of any damaged or replaced parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support related to the 22 ARC SPRING KIT, please refer to the manufacturer's contact information provided on the product packaging or their official website.

By following these safety instructions, you can ensure a safe and effective experience with your 22 ARC SPRING KIT. Thank you for your attention to safety and responsible firearm handling.
