

5 POWER MAGNIFIER - SIGHTMARK 5X TACTICAL MAGNIFIER SLIDE TO SIDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Magnifiers](#)

Experience Precision and Speed with the EOTech® XPS2-1 Holographic Sight Built for shooting versatility, the Sightmark T-5 is a magnifier that mounts behind a reflex sight or red dot and provides an absolute co-witness. Instantly change the magnification of your close-range optic from 1x to 5x by using the T-5's flip-to-side mount. The magnifier's streamlined, low drag design prevents it from snagging on clothing and equipment and makes the T-5 .7" shorter than the magnifier it's replacing. Ideal for stretching your AR engagements out to 200 yards, an included LQD mount allows for rapid attaching/detaching in intense shooting situations. The T-5's aluminum construction is shockproof up to .308 caliber rifles and provides IP55 water resistant protection. Brightness and resolution are improved from fully multi-coated optics and external windage and elevation adjustments help shooters align the reticle of their red dot/reflex sight to the center of the magnifier's point of view. The Sightmark T-5 includes flip-to-side LQD mount, adjustment tools and manual. Included in Package Flip to side LQD mount Adjustment tools Manual Features Locking, quick detach mount for quick and easy removal External windage/elevation adjustment for reticle alignment Absolute co-witness Fully multi-coated, scratch resistant 5x magnification increases engagement to 200 yards EOTech® and Aimpoint® compatible

Safety Instruction Guide for SIGHTMARK 5X Tactical Magnifier

Introduction

Thank you for choosing the SIGHTMARK 5X Tactical Magnifier. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to follow these instructions to maximize your experience and maintain safety during use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the magnifier by following the guidelines outlined in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls. Check for updates regularly.
- **Online Shopping:** If purchased online, verify that the seller meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, ensure that you have access to an EU-based contact.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Do not look directly into the magnifier when it is not mounted or when not in use.
- **Proper Handling:** Handle the magnifier with care to avoid dropping it, which could cause damage.
- **Mounting Safety:** Ensure the magnifier is securely mounted to prevent it from detaching during use.
- **Environmental Conditions:** Avoid using the magnifier in extreme weather conditions that could affect visibility or performance.
- **Child Safety:** Keep the magnifier out of reach of children when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before attaching the magnifier.
- Use the included flip-top LQD mount to securely attach the magnifier behind your reflex sight or red dot.
- Tighten the mount using the provided adjustment tools to ensure stability.
- Check the alignment of the magnifier with the sight to confirm absolute co-witness.

2. Usage:

- Adjust the magnification by flipping the magnifier to the side when not in use.
- Utilize the external windage and elevation adjustments to align the reticle of your red dot or reflex sight with the magnifier's point of view.
- Ensure proper eye relief is maintained during use for optimal visibility (54mm or 2.1 inches recommended).

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Ensure that all components are recycled or disposed of properly to minimize environmental impact.
- Do not dispose of the magnifier in household waste.

Contact Information for Further Support

For further assistance or inquiries about the SIGHTMARK 5X Tactical Magnifier, please refer to the manufacturer's website or your point of purchase for contact information.

By following these safety instructions, you can ensure a safe and effective experience with your SIGHTMARK 5X Tactical Magnifier. Thank you for your attention to these important guidelines.
