

AR-15 ACE ULTRA LITE STOCK FIXED - DOUBLE STAR AR-15 ACE ULTRA LITE STOCK FIXED BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The AR-UL ACE Ultra Lite Stock, it is the lightest AR stock ever devised! Weighing only 5 oz., this stock uses Ace's original soft foam overtube for the ultimate cheek weld. A billet machined gusset reinforces the receiver extension tube at its weakest point directly behind the receiver. The aluminum butt plate also accepts an included 1/2" rubber butt pad you can add if desired. Installation requires A-2 buffer tube, rifle buffer, and rifle buffer spring.

AR15 ACE Ultra Lite Stock Safety Instruction Guide

Introduction

Thank you for choosing the AR15 ACE Ultra Lite Stock. This guide provides important safety information and instructions for the safe installation and use of your new stock. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the stock.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Inspect the stock for any signs of damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Ensure that you are familiar with your firearm's operation and safety features prior to use.

Specific Safety Precautions for Use

- The AR15 ACE Ultra Lite Stock is designed for use with an A2 buffer tube, rifle buffer, and rifle buffer spring. Use only compatible components to avoid malfunctions.
- Do not exceed the manufacturer's recommended specifications for weight and usage.
- Always wear appropriate protective gear, such as safety glasses, when handling firearms.
- Be aware of your surroundings and ensure that you have a clear and safe area for firing.
- If you experience any malfunctions or issues with the stock during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools and Components:** Ensure you have an A2 buffer tube, rifle buffer, and rifle buffer spring before installation.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded. Remove the existing stock if applicable.
3. **Attach the Buffer Tube:** Install the A2 buffer tube according to your firearm's specifications.
4. **Install the Stock:**
 - Slide the AR15 ACE Ultra Lite Stock onto the buffer tube.
 - Ensure that the stock is securely fastened and properly aligned.
5. **Check Stability:** Once installed, check the stability of the stock by gently tugging on it to ensure it is secure.

Usage Instructions

- Adjust the stock to your preferred length for optimal comfort and control.
- Ensure that the cheek weld is comfortable and secure for accurate shooting.
- Regularly check the stock for any signs of wear or loose fittings during use.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding electronic and mechanical waste.
- If the stock is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding your AR15 ACE Ultra Lite Stock, please contact the manufacturer or your local authorized dealer.

By following these guidelines, you can ensure the safe use of your AR15 ACE Ultra Lite Stock. Thank you for prioritizing safety and responsible firearm handling.
