

# "AIR TECH" SLIP-ON RECOIL PAD - LIMBSAVER-"AIRTECH" SLIP-ON RECOIL PAD-SMALL

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Universal](#)

## For Instant Improvement In Shooting Comfort & Control

Using Limbsaver's most advanced energy absorption technology, AirTech slip-on recoil pads are the quickest way to reduce felt recoil by up to 70%.

Improves shooting comfort, reduces risk of accuracy loss caused by flinching, and helps you shoot tighter groups. Simply slide one over the stock of your rifle, shotgun, or muzzleloader without any irreversible modifications of the gun (though removal of factory recoil pads is recommended) - and you'll instantly feel the difference the next time you pull the trigger. Advanced atmospheric chambers inside the soft, Navcom® pad absorb and dissipate recoil energy. Will work on most curved and flat stocks.

## Attributes

- Name: [LIMBSAVER-"AIRTECH" SLIP-ON RECOIL PAD-SMALL](#)
- Manufacturer: [LIMBSAVER](#)
- Product no.: 100015281
- Mfr. No.: 10550

# AIR TECH SlipOn Recoil Pad Safety Instructions

## Introduction

Thank you for choosing the AIR TECH SlipOn Recoil Pad by Limbsaver. This product is designed to enhance your shooting experience by reducing felt recoil. To ensure your safety and the optimal use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the recoil pad.
- Use the recoil pad only on compatible firearms, including rifles, shotguns, and muzzleloaders.
- Keep the recoil pad out of reach of children and pets when not in use.
- Regularly inspect the recoil pad for any signs of wear or damage. If damaged, discontinue use immediately.
- Follow all local laws and regulations regarding firearm accessories and modifications.

## Specific Safety Precautions for Use

- Ensure the recoil pad fits securely on the stock of your firearm to prevent slippage during use.
- Do not use the recoil pad as a substitute for proper firearm handling and safety practices.
- Be aware of your environment while shooting, including the presence of others and potential hazards.
- If you experience discomfort or pain while using the recoil pad, cease use and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing recoil pads, if applicable.

### 2. Installation:

- Slide the AIR TECH SlipOn Recoil Pad over the stock of your firearm.
- Ensure that the pad fits snugly and securely against the stock.
- Adjust the position of the pad as needed for comfort and fit.

### 3. Usage:

- When ready to shoot, ensure the firearm is in a safe position.
- Maintain a proper grip and stance while shooting.
- After shooting, check the recoil pad for proper placement and any signs of wear.

### 4. Removal:

- To remove, gently slide the recoil pad off the stock of your firearm.
- Store the recoil pad in a safe and dry location when not in use.

## Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations.
- Do not dispose of the recoil pad in regular household waste if it contains materials that are not biodegradable.

- Consider recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or further assistance regarding the AIR TECH SlipOn Recoil Pad, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your AIR TECH SlipOn Recoil Pad. Thank you for prioritizing safety and responsible firearm use.
