

# "AIR TECH" SLIP-ON RECOIL PAD - LIMBSAVER-"AIRTECH" SLIP-ON RECOIL PAD-MEDIUM

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Universal](#)

## For Instant Improvement In Shooting Comfort & Control

Using Limbsaver's most advanced energy absorption technology, AirTech slip-on recoil pads are the quickest way to reduce felt recoil by up to 70%. Improves shooting comfort, reduces risk of accuracy loss caused by flinching, and helps you shoot tighter groups. Simply slide one over the stock of your rifle, shotgun, or muzzleloader without any irreversible modifications of the gun (though removal of factory recoil pads is recommended) - and you'll instantly feel the difference the next time you pull the trigger. Advanced atmospheric chambers inside the soft, Navcom® pad absorb and dissipate recoil energy. Will work on most curved and flat stocks.

## Attributes

- Name: [LIMBSAVER-"AIRTECH" SLIP-ON RECOIL PAD-MEDIUM](#)
- Manufacturer: [LIMBSAVER](#)
- Product no.: 100015282
- Mfr. No.: 10551

# AIR TECH SlipOn Recoil Pad Safety Instructions

## Introduction

Thank you for choosing the AIR TECH SlipOn Recoil Pad by Limbsaver. This product is designed to enhance your shooting experience by reducing felt recoil. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the recoil pad.
- Inspect the recoil pad regularly for any signs of wear or damage.
- Keep the recoil pad out of reach of children and pets when not in use.
- Do not use the recoil pad if it shows signs of damage or deterioration.
- Ensure that the recoil pad is compatible with your firearm's stock type (curved or flat).
- Always follow the manufacturer's instructions for your specific firearm when using accessories.

## Specific Safety Precautions for Use

- The AIR TECH SlipOn Recoil Pad is designed for adult use only. Keep it away from children.
- If you experience discomfort or pain while shooting, stop using the product and consult a professional.
- Do not modify the recoil pad or attempt to repair it if damaged.
- Ensure that the recoil pad is securely in place before firing the firearm.
- Always wear appropriate eye and ear protection while shooting.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing recoil pads if necessary.

### 2. Installation:

- Slide the AIR TECH SlipOn Recoil Pad over the stock of your rifle, shotgun, or muzzleloader.
- Align the pad so that it fits snugly against the stock.
- Ensure that the pad covers the desired area and is not loose.

### 3. Usage:

- Hold your firearm securely and ensure a proper shooting stance.
- When ready to shoot, maintain focus and control to minimize flinching.
- After shooting, check the recoil pad for any signs of movement or wear.

## Disposal Instructions

- Dispose of the AIR TECH SlipOn Recoil Pad responsibly. Check local regulations for proper disposal methods.
- Do not incinerate the recoil pad as it may release harmful substances.

## Contact Information for Further Support

For any safety inquiries or support regarding the AIR TECH SlipOn Recoil Pad, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your AIR TECH SlipOn Recoil Pad. Thank you for your attention to safety.
