

"AIR TECH" SLIP-ON RECOIL PAD - LIMBSAVER-"AIRTECH" SLIP-ON RECOIL PAD-LARGE

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Universal](#)

For Instant Improvement In Shooting Comfort & Control

Using Limbsaver's most advanced energy absorption technology, AirTech slip-on recoil pads are the quickest way to reduce felt recoil by up to 70%. Improves shooting comfort, reduces risk of accuracy loss caused by flinching, and helps you shoot tighter groups. Simply slide one over the stock of your rifle, shotgun, or muzzleloader without any irreversible modifications of the gun (though removal of factory recoil pads is recommended) - and you'll instantly feel the difference the next time you pull the trigger. Advanced atmospheric chambers inside the soft, Navcom® pad absorb and dissipate recoil energy. Will work on most curved and flat stocks.

Attributes

- Name: [LIMBSAVER-"AIRTECH" SLIP-ON RECOIL PAD-LARGE](#)
- Manufacturer: [LIMBSAVER](#)

AIR TECH SlipOn Recoil Pad Safety Instruction Guide

Introduction

Thank you for choosing the AIR TECH SlipOn Recoil Pad by Limbsaver. This product is designed to enhance your shooting experience by significantly reducing felt recoil. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or removing the recoil pad.
- Inspect the recoil pad for any damage before each use. Do not use if damaged.
- This product is designed for adult use only. Keep it out of reach of children.
- Follow all local laws and regulations regarding firearm accessories.
- Always wear appropriate eye and ear protection when using firearms.

Specific Safety Precautions for Use

- Ensure the recoil pad is properly fitted to your firearm's stock to avoid slippage during use.
- Do not use the recoil pad if it shows signs of wear, such as cracks or tears.
- Use the recoil pad only with compatible firearms: rifles, shotguns, and muzzleloaders.
- Avoid using the recoil pad in extreme temperatures or conditions that may affect its performance.
- If you experience any discomfort or pain while using the recoil pad, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. **Preparation:** Ensure your firearm is unloaded and the area is safe for installation.
2. **Remove Factory Recoil Pad:** If applicable, carefully remove the factory recoil pad from the firearm stock.
3. **Position the Recoil Pad:**
 - Align the AIR TECH SlipOn Recoil Pad with the stock of your firearm.
 - Ensure that the pad is centered and covers the entire surface of the stock.
4. **Slide the Pad On:** Gently slide the recoil pad over the stock until it is securely in place.
5. **Check Fit:** Verify that the pad is snug and does not move when you apply gentle pressure.
6. **Test Usage:** Before using the firearm, check the installation by holding the firearm and ensuring the pad remains in place.
7. **PostUse Inspection:** After use, inspect the recoil pad for any signs of wear or damage.

Disposal Instructions

- Dispose of the AIR TECH SlipOn Recoil Pad in accordance with local regulations.
- If the product is damaged, do not attempt to repair it. Dispose of it safely to prevent any hazards.

Contact Information for Further Support

For any questions or concerns regarding the AIR TECH SlipOn Recoil Pad, please refer to the product packaging or visit the manufacturer's website for further assistance.

Thank you for prioritizing safety and enjoying your shooting experience with the AIR TECH SlipOn Recoil Pad.
