

# 1911 SEAR - NIGHTHAWK CUSTOM 1911 SEAR FULLY MACHINED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sears](#)

## Machine & Hardened To Hold Dimensions & Resist Wear

Sear is machined from solid tool steel bar stock, then hardened to hold precise dimensions and stand up to many thousands of rounds without wear. Primary and secondary cuts pre-cut and polished, allowing for minimal fitting and adjustment. Gunsmith fitting required for proper function and safety.

# Safety Instruction Guide for 1911 SEAR NIGHTHAWK CUSTOM

## Introduction

Thank you for choosing the 1911 SEAR NIGHTHAWK CUSTOM. This product is designed with precision and durability in mind. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Store firearms in a secure location, such as a locked safe or cabinet.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a clear line of sight when shooting.
- Do not consume alcohol or drugs before or while using firearms.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Gunsmith fitting is required for proper function and safety. Failure to do so may result in malfunction or injury.
- Inspect the sear before installation for any signs of damage or wear.
- Ensure that the firearm is unloaded before performing any maintenance or installation work.
- Use only compatible parts and accessories with your 1911 model (Government, Commander, Officers).
- Do not attempt to modify the sear or any other firearm components beyond manufacturer specifications.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean and welllit workspace.
- Gather necessary tools, including screwdrivers and any other required equipment.

### 2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the existing sear from the firearm by following the manufacturer's guidelines.
- Carefully install the 1911 SEAR NIGHTHAWK CUSTOM in place of the old sear, ensuring it is properly seated.
- Follow the fitting instructions provided by your gunsmith to ensure optimal performance.

### 3. PostInstallation Checks:

- Once installed, perform a function check to ensure the firearm operates correctly.
- Check for any unusual sounds or movements when operating the action.

### 4. Usage:

- Always follow standard safety practices when handling and firing your firearm.
- Regularly inspect the sear and other components for wear and tear.

## **Disposal Instructions**

- Dispose of any old or unused firearm parts in accordance with local regulations.
- Do not throw away parts in regular trash. Contact local authorities or a licensed disposal service for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the product, please refer to the contact details provided by your retailer or manufacturer. It is important to have a reliable source for safety inquiries and product support.

## **Conclusion**

Your safety and the safe operation of your firearm are of utmost importance. By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your 1911 SEAR NIGHTHAWK CUSTOM. Always stay informed about safety practices and regulations in your area. Thank you for your attention to these important safety measures.
