

# AR-15/M16 MK 4 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS 13.5" SUPER MODULAR RAIL MK4 M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Super Modular Rail MK4 M-LOK™ is Geissele's ultra-lightweight M-LOK option. These rails are purpose-built and feature integrated M1913 picatinny rail sections at the fore of the rail in the 3, 6 and 9 o'clock positions. Maximum venting for heat dissipation also dramatically reduces the rails overall weight, while maintaining its same strong and rigid platform. The MK4 M-LOK rail features M-LOK slots at the 3, 6 and 9 o'clock positions as well as the upper 45° quadrants. This allows the user to keep the weight on the rail system down, while keeping the modularity and versatility to attach accessories as necessary. Barrel nut wrench & gas block not included.

## Attributes

- Name: [GEISSELE AUTOMATICS 13.5" SUPER MODULAR RAIL MK4 M-LOK BLACK](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100015366

# Safety Instruction Guide for AR15/M16 MK 4 Super Modular Rails, MLOK

## Introduction

Thank you for choosing the AR15/M16 MK 4 Super Modular Rails, MLOK from Geissele Automatics. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully and retain it for future reference.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use and modification of firearms.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to equipment failure or injury.
- **Avoid Excessive Heat:** The rail is designed for heat dissipation, but avoid prolonged exposure to high temperatures.
- **Check Compatibility:** Ensure that the rail is compatible with your firearm model before installation.
- **Use Proper Tools:** Always use the correct tools as specified in the installation instructions to avoid damage.
- **Secure Accessories:** Ensure that any accessories attached to the rail are securely fastened to prevent accidental detachment.
- **Follow Manufacturer Recommendations:** Adhere to the manufacturer's guidelines for installation and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a barrel nut wrench (not included).
- Ensure that your workspace is clean and welllit.

### 2. Installation:

- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Align the MK4 MLOK rail with the mounting points on your firearm.
- Secure the rail using the provided hardware, ensuring all fasteners are tightened to the manufacturer's specifications.
- Attach any desired accessories to the MLOK slots at the 3, 6, and 9 o'clock positions or upper 45° quadrants.

### 3. Usage:

- Once installed, conduct a function check to ensure that the rail is securely attached and that the firearm operates correctly.
- Regularly inspect the rail and accessories for any signs of wear or loosening.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, take it to a designated waste disposal facility that handles firearms accessories.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe conditions, please refer to your local regulations or consult the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the proper use and maintenance of your AR15/M16 MK 4 Super Modular Rails, MLOK. Always prioritize safety and adhere to local laws when using firearm accessories. Thank you for your attention to these important guidelines.
