# Safety Instruction Guide for AR15/M16 Adjustable Gas Key

## Introduction

Thank you for choosing the Rubber City Armory Adjustable Gas Key. This product is designed to enhance the performance of low mass and standard mass GI systems. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Adjustable Gas Key by following all instructions. This product is designed to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, you will be provided with free remedies for any dangerous issues.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Using the Adjustable Gas Key improperly may lead to malfunctions or safety risks.
  - Ensure that all components are compatible with your firearm before installation.
- **Avoiding Hazards:**
  - Always wear protective eyewear when handling or installing the gas key.
  - Do not attempt to adjust the gas flow while the firearm is loaded or operational.
  - Ensure that the firearm is unloaded and pointed in a safe direction during installation and adjustments.
- **Age Restrictions:** This product is intended for adult use only. It should not be used by individuals under the age of 18.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your work area is clean and free of distractions.
- Gather all necessary tools, including the 2 mounting bolts provided.

### 2. Installation Steps:

- Remove the existing gas key from the bolt carrier group.
- Align the Adjustable Gas Key with the bolt carrier and secure it using the 2 mounting bolts.
- Tighten the bolts evenly to ensure a secure fit.

### 3. Adjusting Gas Flow:

- Use the set screw marked for gas flow adjustment to increase or decrease the gas flow as needed.
- Once the desired flow is achieved, use the locking set screw to secure the adjustment in place.

#### 4. Final Checks:

- Before using the firearm, perform a function check to ensure all components are working correctly.
- Ensure that the gas key is properly secured and that there are no loose parts.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the Adjustable Gas Key becomes damaged or is no longer usable, dispose of it responsibly. Do not discard it in regular household waste.
- Check with local authorities for specific disposal instructions for firearm components.

## Contact Information for Further Support

For more information or assistance regarding the Rubber City Armory Adjustable Gas Key, please refer to the designated contact point provided with your product. Always ensure you have the latest information regarding safety and product updates.

By following these safety instructions, you can help ensure a safe and effective experience with your Adjustable Gas Key. Thank you for your attention to safety.
