

# AR-15/M16 EJECTION PORT COVER KIT WITH GAS DEFLECTOR - CMMG AR15/M16 EJECTION PORT COVER KIT W/ GAS DEFLECTOR

[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Covers](#)

## Eliminates Nearly All Back Blast

Ideal for 9mm or .22LR builds, this drop in ejection port cover kit comes with a steel cover, pin, spring, and polymer gas deflector. Deflector is intended to keep gas and residue out of the shooter's face, using it as a brass deflector on anything larger than .22LR can result in damage. Cover comes with detent and detent spring installed.

# AR15/M16 EJECTION PORT COVER KIT WITH GAS DEFLECTOR Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 Ejection Port Cover Kit with Gas Deflector by CMMG. This product is designed to enhance your shooting experience while providing safety and efficiency. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is appropriate for your firearm. This kit is ideal for 9mm or .22LR builds.
- Always handle firearms responsibly and follow all local laws and regulations.
- Inspect the product for any visible damage before installation. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings when using the product to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- The gas deflector is intended to keep gas and residue away from the shooter's face.
- Using the deflector as a brass deflector on firearms larger than .22LR may cause damage.
- Always wear appropriate eye protection when shooting.
- Ensure that the ejection port cover is properly installed and functional before use.
- Do not attempt to modify or alter the product in any way, as this may compromise safety.
- Be cautious of hot brass ejected from the firearm; ensure you are positioned safely away from other shooters.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Gather Required Tools

- Ensure you have the necessary tools for installation, including a punch tool for pin installation.

#### 2. Prepare the Firearm

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.

#### 3. Remove Old Ejection Port Cover

- If applicable, remove the existing ejection port cover by driving out the retaining pin with a punch tool.

#### 4. Install the New Ejection Port Cover

- Insert the new steel cover into the ejection port.
- Align the holes in the cover with the corresponding holes in the firearm.
- Insert the provided pin through the holes to secure the cover in place.

#### 5. Attach the Gas Deflector

- Position the polymer gas deflector in the appropriate location.
- Ensure it is securely attached and does not obstruct the ejection port cover.

## **6. Check Functionality**

- Manually operate the ejection port cover to ensure it opens and closes smoothly.
- Confirm that the gas deflector is properly positioned.

## **Usage Guidelines**

- Always verify that the firearm is clear and safe before using.
- Engage the ejection port cover as needed during shooting sessions.
- After use, inspect the ejection port cover and gas deflector for signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 Ejection Port Cover Kit with Gas Deflector, please refer to the manufacturer's website or customer support channels for assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your new product.
