

AR-15 BCMGUNFIGHTER STOCK COLLAPSIBLE MIL-SPEC - BRAVO COMPANY AR-15 BCMGUNFIGHTER STOCK COLLAPSIBLE MIL-SPEC FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Weighing in just over 7 ounces, the BCMGUNFIGHTER™ Stock is one of the toughest and lightest polymer stocks for Mil-Spec receivers being made today. The Stock is designed slick, to prevent potential tangling with the end-user's sling, pouches, webbing or other gear and is designed with only five parts and one screw. Finally, each Stock is capped with an integrated, color matched rubber butt pad for secure placement in the shoulder pocket as well as increased overall durability. Featuring a new patent pending latch, the BCMGUNFIGHTER Stock reinvents the stock interface with a Mil-Spec buffer tube delivering both a precise engagement and a stock specifically engineered to dissipate impact stress through the assembly. The precision fit latch, made from heat-treated ordnance grade steel, is flat on all sides to ensure the Stock interface with the receiver extension cannot be obstructed by dirt or debris. Its unique geometry also provides increased torsional strength and eliminates the stress-riser found on conventional rounded pins. The Stock comes with both ambidextrous QD swivel sockets as well as a conventional sling attachment slot.

Attributes

- Name: [BRAVO COMPANY AR-15 BCMGUNFIGHTER STOCK COLLAPSIBLE MIL-SPEC FDE](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 100016239

Consumer Safety Instruction Guide for AR15 BCMGUNFIGHTER Stock

Introduction

Thank you for choosing the AR15 BCMGUNFIGHTER Stock. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. Please read this manual carefully before using the stock to ensure your safety and compliance with EU regulations.

General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the AR15 BCMGUNFIGHTER Stock.
- Always handle the stock with care to avoid injury.
- Regularly inspect the stock for any signs of wear or damage before use.
- Store the stock in a safe and secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the stock is properly attached to the receiver before use.
- Do not modify or alter the stock in any way, as this may compromise safety and performance.
- Use only compatible MilSpec buffer tubes with the BCMGUNFIGHTER Stock.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure that the area is clear when using the stock.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Align the BCMGUNFIGHTER Stock with the MilSpec buffer tube.
- Slide the stock onto the buffer tube until it securely clicks into place.
- Tighten the screw provided to ensure a secure attachment.

2. Usage:

- Adjust the stock to your preferred length by pressing the patent pending latch and sliding the stock in or out.
- Ensure that the latch is fully engaged before using the stock.
- Utilize the ambidextrous QD swivel sockets for sling attachments as needed.
- Always check the engagement of the stock with the receiver before each use.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic waste.
- If the stock is damaged or no longer usable, consider recycling the polymer materials where facilities exist.
- Do not burn or incinerate the stock, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the AR15 BCMGUNFIGHTER Stock, please consult your local retailer or the manufacturer's website for contact information.

Thank you for prioritizing safety while using the AR15 BCMGUNFIGHTER Stock. Your adherence to these guidelines helps ensure a safe experience for yourself and others.
