Improves Cheekweld & Provides Waterproof Storage For Small Items

Currently employed by the U.S. military, this reinforced polymer stock fits M4-type receiver extensions and offers an improved cheekweld designed for increased comfort and consistency. Two waterproof storage compartments running the length of the stock hold 2 AA or 3 CR-123 batteries. Streamlined contours resist snagging on clothing, equipment, or vegetation to aid in safe and stealthy operation. Sure-Grip stock latch ensures convenient and intuitive length-of-pull adjustment, while the anti-slip rubber recoil pad secures the weapon to the operator's shoulder. Features a black, stainless steel QD swivel mount and two molded 1¼" wide sling slots.

Safety Instruction Guide for AR15 Enhanced SOPMOD Stock

Introduction

Thank you for choosing the AR15 Enhanced SOPMOD Stock. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully and follow all safety precautions.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are familiar with local laws and regulations regarding firearm usage and accessories.
- Use the stock only with compatible M4type receiver extensions.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Store the stock and firearm in a secure location, out of reach of children and unauthorized users.
- Follow all manufacturer instructions for installation and use.

Specific Safety Precautions for Use

- **Comfort and Stability:** Ensure the stock is properly adjusted for your length of pull to maintain stability and comfort during use.
- **Storage Compartment:** Only store 2 AA or 3 CR123 batteries in the waterproof compartments. Do not overload or misuse these compartments.
- **Grip and Control:** Make sure your grip is firm and secure when using the stock to prevent accidental slips.
- **Avoid Snagging:** Be mindful of your surroundings to prevent the stock from snagging on clothing, equipment, or vegetation, which could lead to loss of control.
- **Recoil Management:** Use the antislip rubber recoil pad effectively to ensure the stock remains secured to your shoulder during firing.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Confirm that your receiver extension is M4type and compatible with the AR15 Enhanced SOPMOD Stock.
2. **Positioning:** Align the stock with the receiver extension, ensuring that the stock latch is accessible.
3. **Secure Attachment:** Slide the stock onto the receiver extension until it clicks into place. Ensure it is firmly attached.
4. **Adjust Length of Pull:** Use the SureGrip stock latch to adjust the length of pull to your preference. Ensure it locks securely in place.

Usage

1. **Check Functionality:** Before use, check that the stock operates smoothly and that all components are secure.
2. **Loading Firearm:** Follow standard procedures for loading your firearm, ensuring that the stock is correctly positioned against your shoulder.
3. **Firing:** Maintain a firm grip and stance, ensuring the stock is properly secured against your shoulder to manage recoil effectively.
4. **PostUse Care:** After use, inspect the stock for any signs of damage or wear. Clean as necessary and store securely.

Disposal Instructions

- When disposing of the stock, follow local regulations for disposal of polymer materials.
- Ensure that any batteries stored in the stock are disposed of properly according to local battery recycling guidelines.
- Do not incinerate or expose the stock to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your AR15 Enhanced SOPMOD Stock. Always prioritize safety and stay informed about best practices in firearm handling and maintenance.
