# S&W M&P Fiber Optic Adjustable Sight Set Safety Instructions

## Introduction

Thank you for choosing the S&W M&P Fiber Optic Adjustable Sight Set manufactured by L.P.A. SIGHTS. This product is designed to enhance your shooting experience with reliable and adjustable fiber optic sights. Please read and follow these safety instructions carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that this product is used only for its intended purpose.
- Always handle firearms and related equipment with care and respect.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the sight set in any way.
- Ensure the firearm is unloaded before installing or adjusting the sight set.
- Use proper eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Confirm that the sight set is securely installed before use.
- Avoid using the sight set in harsh weather conditions that may affect visibility.

## Instructions for Installation and Usage

### 1. Installation

- Make sure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sight from your Smith & Wesson M&P by loosening the screws with a suitable tool.
- Align the tapered dovetail of the new sight set with the existing groove on your firearm.
- Gently tap the sight into place using a nonmarring tool, ensuring a secure fit.
- Tighten the screws to secure the sight, but do not overtighten to avoid damage.

### 2. Usage

- Familiarize yourself with the sight adjustment features before use.
- Adjust the fiber optic sights as needed for optimal visibility and accuracy.
- Regularly check the alignment and security of the sight set before shooting.
- After each use, clean the sight set with a soft cloth to maintain clarity.

## Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic waste.
- Do not throw the sight set in regular household trash.
- If the sight set is damaged, ensure it is safely disposed of to prevent injury.
