

# M&P RED FLAT FACE FORWARD SET TRIGGER - APEX TACTICAL SPECIALTIES INC RED FLAT FACED FORWARD SET SEAR & TRIGGER KIT M&P

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The new Flat Faced Forward Set Trigger delivers a feel and performance of a factory 1911 type trigger at an approximate weight of 3.0 to 4.0 lbs. Designed to work in any Smith & Wesson M&P model pistol in a centerfire caliber(excluding Shield), the Apex Flat Faced Forward Set Trigger Kit reduces trigger pre-travel and over-travel, while allowing the shooter to position their finger at an increased leverage point lower on the trigger face to take advantage of lower trigger pull weights. The Flat Faced Forward Set Trigger by itself is designed to work with your existing Apex Forward Set Sear kit and will not work with the factory Smith & Wesson fire control parts. Included in the full kit are the Apex Forward Set Sear which shortens the stroke of the trigger by dropping the striker at a point farther forward than the factory sear. The Ultimate Striker Block produces a smoother trigger pull and eliminates most false reset issues through an improved radius on the striker block face. The Forward Set Springs kit produces a trigger pull of 3.0 to 4.0 lbs, depending on which trigger return spring is installed. Requires the use of the sear housing block designed for the large size sear plunger and spring(current production as of June, 2011) NOT recommended for duty/carry applications. Does Not fit M&P 2.0 Pistols

# M&P RED FLAT FACE FORWARD SET TRIGGER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the M&P Red Flat Face Forward Set Trigger by Apex Tactical Specialties Inc. This product is designed to enhance the performance of your Smith & Wesson M&P model pistol. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only with compatible Smith & Wesson M&P pistols and in accordance with the manufacturer's specifications.
- Always handle firearms with care and treat every gun as if it is loaded.
- Keep the trigger area clear of any obstructions or foreign objects during installation and use.
- Regularly inspect the trigger system for any signs of wear or damage.
- Store the trigger kit and any firearms in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This trigger kit is not recommended for duty or carry applications.
- The product does not fit M&P 2.0 pistols. Ensure compatibility before use.
- Use the sear housing block designed for the large size sear plunger and spring (current production as of June 2011).
- Be mindful of the reduced trigger pull weight (3.0 to 4.0 lbs) and adjust your shooting technique accordingly.
- Avoid using the trigger kit in situations where rapid firing is expected, as it may increase the risk of accidental discharge.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger and sear from your M&P pistol.
- Install the Apex Flat Faced Forward Set Trigger according to the provided instructions.
- Confirm that the trigger is properly seated and functions correctly before use.

### 2. Usage:

- Position your finger on the trigger face to take advantage of the lower trigger pull weights.
- Practice your shooting technique to adapt to the new trigger feel.
- Regularly check the trigger for proper function and safety before each use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger kit in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the M&P Red Flat Face Forward Set Trigger, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety instructions. Your safety is paramount, and following these guidelines will help ensure a safe and enjoyable shooting experience.
