

# AK-47 AKT ENHANCED WITH LIGHTNING BOW TRIGGER - ALG DEFENSE AKT-EL ENHANCED WITH LIGHTNING BOW TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The ALG AK Trigger is a single stage trigger for the AK47 and AK74 variant platform. The AKT is machined from S7 tool steel. The AKT features a smoother and shorter trigger pull than the stock trigger, and is ideal for combat and home defense use. It has a Manganese Phosphated finish and is the same process used on stock AK triggers. The ALG AK Trigger features a unique trigger bow known as the Lightning Bow, which produces a very comfortable feel to the user over the stock trigger.

# Consumer Safety Instruction Guide for the ALG AK Trigger

## Introduction

Thank you for choosing the ALG AK Trigger, specifically the AKT Enhanced with Lightning Bow Trigger. This guide provides essential safety instructions to ensure safe usage, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the trigger and any firearm with care and respect.
- Keep the product out of reach of children and unauthorized persons.
- Regularly check for updates regarding product recalls on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the trigger.
- Use eye protection when installing or operating the firearm with the trigger.
- Ensure that the trigger is compatible with your firearm model (AK47 or AK74).
- Do not modify the trigger in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the stock trigger according to the manufacturer's instructions.
- Carefully install the ALG AK Trigger by following these steps:
  - Align the trigger with the trigger assembly.
  - Secure the trigger in place using the appropriate screws and tools.
  - Doublecheck that the trigger is functioning correctly before use.

### 2. Usage:

- Familiarize yourself with the trigger's operation before using it in a live environment.
- Practice safe firearm handling techniques at all times.
- Maintain a proper grip and stance while using the firearm.
- Always be aware of your target and what lies beyond it.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- If the trigger is damaged or no longer in use, consider returning it to the manufacturer for proper disposal.
- Do not throw the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the ALG AK Trigger, please refer to the manufacturer's website or customer support channels.

By following these guidelines, you can ensure your safety and the safety of others while using the ALG AK Trigger. Thank you for your attention to these important safety measures.
